My Conscience U Kyaw Win, 2016-07-08 Since gaining its independence from British colonial rule in 1948 Burma s history has been cursed The military raped the resource rich country for fifty years and drove its people to penury Activists who advocated for democracy were imprisoned tortured and exiled Civil society institutions were ground into oblivion My Conscience An Exile s Memoir of Burma is U Kyaw Win s compelling account of the bleeding of his homeland by the military Born during the waning days of colonial rule he experienced the brutality of Japanese occupation and the heady early days of independence He studied abroad and acquired the skills that his country would need but when the military seized power in 1962 he was made stateless and not allowed to return home for forty years This memoir tells the story of his lifelong efforts to attract international attention to Burma s

destruction and to restore freedom to his homeland Win's memoir chronicles the struggles that he and those who fought for their country's freedom faced He recounts the giants in Burma's struggle he met in his pursuit At this historical moment in 2016 it is uncertain whether the elected civilian majority in parliament will take office and if the military will permit a government of the people's choice to rule *Golden Parasol* Wendy Law-Yone, 2013 This title is Wendy Law Yone's poignant memoir of Burma her father and his newspaper Shortly before his death Ed gave his daughter the manuscript of his autobiography and told her to sort it out This book is the result of that work **Don't Look Back** Achut Deng, Keely Hutton, 2022-10-11 I want life After a deadly attack in South Sudan left six year old Achut Deng without a family she lived in refugee camps for ten years until a refugee relocation program gave her the opportunity to move to the United States When asked why she should be given a chance to leave the camp Achut simply told the interviewer I want life But the chance at starting a new life in a new country came with a different set of challenges Some of them equally deadly Taught by the strong women in her life not to look back Achut kept moving forward overcoming one obstacle after another facing each day with hope and faith in her future Yet just as Achut began to think of the US as her home a tie to her old life resurfaced and for the first time she had no choice but to remember her past In this powerful and propulsive memoir Achut Deng and Keely Hutton tell a harrowing and inspiring story showing both the ugliness and the beauty of humanity and the power of not giving up

Yachow And Burma Upcraft William M, 2023-07-18 This memoir recounts the harrowing experiences of William M Upcraft an American missionary who was captured by bandits during the Chinese civil war and forced to march across the country Later he and his family were evacuated to Burma where they faced new dangers and challenges This gripping account of survival and perseverance is a testament to the human spirit This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant For Us Surrender Is Out of the Question Mac McClelland, 2010-02-16 The human rights journalist and author of *Irritable Hearts* A PTSD Love Story shines a light on the Karen refugees fleeing Burma's genocide There's a civil war the world's longest running in fact raging between the Burmese government and ethnic rebels But since Burma is a country nearly shut out from the rest of the world the only footage of the carnage comes via groups of young tough booze loving refugees who run into war zones to collect it And with these refugees is where we find Mac McClelland embedded in her staggering debut *For Us Surrender Is Out of the Question* McClelland weaves a narrative that is part investigative journalism part popular history and part memoir of a Midwestern twenty something girl living with refugee activists on the Burma Thailand border Driven by the

community McClelland is illegally aiding a small group of brave young men and women For Us Surrender Is Out of the Question is an urgent and fascinating look at a weary conflict told by a bright new voice Alternately poignant and raucous angry and heartbreaking McClelland's reporting is very much from the ground up far livelier than we will ever get from the average foreign correspondent Adam Hochschild New York Times bestselling author Any reporting on the notoriously under documented Burmese war is critical reading a page turner like this one is not to be missed San Francisco Magazine Gritty informed passionate McClelland's gonzo sensibility big heart and keen eye for weird details bring this tale of inhuman cruelty and human resilience vividly alive Gary Kamiya cofounder of Salon
