The performance mindset leaves many Christians feeling stuck working hard to please God but never quite feeling at peace  
Doubts creep in making the peace of God feel just out of reach as if we re playing an endless if then game If I do everything right then maybe I ll be okay with God  
*Living Under the Influence* shows how grace frees us from that cycle It invites us to confront five common myths we often believe about God and ourselves  
If I pray and read the Bible more then God will change how I feel about myself  
If I live a holy life and make good choices then God will be pleased with me  
If my life is messy then God won t choose or accept me  
If I clean up my act first then God can use me in His kingdom  
If I become a better person then God will bless me with a better life  
If you re a Christ follower who genuinely wants to love God through how you live this book offers a different lens a way of thinking rooted not in performance but in grace  
And grace changes everything      The Weekly record of the temperance movement [afterw.] The Weekly record. [Continued as] The Temperance record National temperance league,1874      The Complete Works of Thomas Manton, D.D. Thomas Manton,1873
