Hacker Daniels, 2025-06-12 *Casting the Art of Rhetoric with Theater and Drama* Taking Center Stage explores rhetoric and theater as they relate to one another developing the understanding of rhetoric as theory and praxis This book addresses rhetorical themes and cultural resonances as well as the oft overlooked symbiosis of rhetoric and theater Rather than addressing audiences as either observers of rhetorical artifacts or theatrical performance this work demonstrates the intersection of the two which strengthens theatrical events and their cultural significance Overall the volume showcases the many ways in which an understanding of the relationship between rhetorical and poetic theories can benefit dramatic convention and the breaking thereof **Why the Jews?** Robert Cherry, 2021-04-15 At the beginning of the twentieth century Jewish immigrants upended Protestant control of vaudeville and the silent film industry This book rejects the commonly held explanations for this shift Jewish commercial acumen and their desire to assimilate Instead this book argues that the pleasure principle a positive view of bodily pleasures and sexuality that Jewish immigrants held gave rise to the role of Jewish influence on popular culture an influence still felt today After discussing the pivotal ascendancy of Jews in vaudeville and silent films Cherry explores the important role that Jewish performers and middlemen played in the evolution of popular culture throughout the century from stage and the big screen to radio television and the music industry He concludes with a broader discussion of Jewish values that helps explain the continued outsized role that Jews continue to play in American popular culture *Star Gatherer* Jamie Sexton Holme, 1926
