

Class Valedictorian Speech Sample

Introduction:

After all those days of wondering, wondering if we would make it to the end, FINALLY, HERE WE ARE AT THIS VERY MOMENT THAT marks the summit of our journey. Graduating class of 2014-2015, PLEASE join me in welcoming our guests. To our guest of honour, Ms. Mellizza Soriano, to our Chief Executive Mentor, Dr. Genevieve Ledesma-Tan, to our school President, Dr. Marl V. Fernal, to our Principal for Basic Education, Ms. Marie-Vic Suarez, the management team, school officials, honored guests, dedicated teachers, beloved parents and fellow graduates, a pleasant morning to all OF YOU!

General Gratitude:

On behalf of every student here, I would like to express my sincerest gratitude to all the teachers and mentors we've had in life. You are the candles that light the way. Thank you for using your precious time and wisdom for us. You HAVE taught us and still are teaching us to achieve excellence. You help us on our way to success. I believe that we're a much better person NOW than we would have been had we not met all of you. I would also like to thank all the parents for your endless support and patience for all of us. You have lovingly cared for us all these years and set the foundation for our future. There are not enough words to express how thankful all of us are.

Change:

March 27, 2015. A MARK IN OUR HISTORIES THAT COMMEMORATES the hard work... of not just the graduates, but also the teachers and parents. It is a very special day that won't be forgotten even if we leave Southville. Today, we acknowledge and give recognition to the people we've met, the lessons we've learned, the tears, the laughter, and the memories we've shared in our years as grade school students. For everything we take with us, there is something that we leave behind. This school year was filled with fond memories. It gave us good and also bad experiences. It taught us many things. Most of us, if not all, are brimming with joy that we're finally done with it, that it's all over now. But it isn't. With every door shut, opens another. Now, this isn't necessarily a bad thing.

Leading Out Loud Terry Pearce, 2003-06-03 As the cycle of change increases, its speed, leadership communication is becoming more important than ever. Since the original publication of *Leading Out Loud* in 1995, the development of a leader's message has become as critical to success as the delivery of that message. In this new and revised edition of his highly praised work, Terry Pearce explains how the events of recent years, including the information revolution, worldwide focus on terrorism, and the revelation of corporate scandals, have significantly increased the importance of authenticity in leadership to build loyalty in organizations. This new edition focuses on the source of a message for change, its development as a platform for leadership communication, and its many forms of expression, from speeches to e-mails, memos, and even informal water cooler conversation. Pearce shows leaders in business, politics, and nonprofits how to communicate their values and vision to inspire

commitment he provides tools and examples from well known leaders as well as less known but effective change agents. Leading Out Loud gives readers concrete methods for improving their own communication by guiding them to do the internal work necessary for creating an honest and compelling vision and by demonstrating how readers can find their authentic voice and articulate their messages with confidence. People make commitments, says Pearce, to causes they value and to people they respect and trust. An authentic voice and an inclusive perspective are requisites for any leader who would inspire change. Trust is built by communicating from both the mind and the heart, speaking directly to the minds and hearts of others, listening to their response and respecting their points of view. All leaders will benefit from Pearce's wisdom, as will anyone else who wants to inspire positive change through others.

No Regrets Parenting Harley A. Rotbart, 2012-02-21 *No Regrets Parenting* is a book for busy parents in our busy times. Juggling family and professional lives is not a course taught in high school or college; many parents find the challenges of being all things to all people daunting. This theme is ubiquitous in today's culture: movies, theatre, books, magazine features, and human interest news stories all find the challenge of raising children to be prime fodder for audiences. How to do it all, how to stay sane while trying to do it all. *No Regrets Parenting* teaches parents how to experience the joy and depth of the parenting experience amidst the chaos and choreography of daily routines. Car, pool, bath, time, soccer practice, homework, dinner hour, and sleepovers all become more than just obligations and hurdles to overcome to get through the day. They are opportunities for intimate and meaningful time, quality time with young kids. It's not how much time you have with your kids but how you spend that time that matters in the life and legacy of a young family. *No Regrets Parenting* readjusts parents' perspectives and priorities, helping them find the time to do it all and feel good about your kids' childhood. There is a simple, single truth for every parent: Your kids need you to be there. They need to see who you are and how you live your life. And in return, they will help you to see who you are and how you should be living your life. For all of that to happen, parents need time with their kids. Memorable and meaningful time. *No Regrets Parenting* is about time. Finding enough of it and making the most of it.

The Lyceum Magazine Ralph Albert Parlette, 1922 *You Shall Not Condemn* Jennifer M. McBride, 2022-06-13 This book tells the story of Kelly Gissendaner, the only woman on Georgia's death row until her execution in 2015, and highlights the role theological studies played in her faith and in advocacy efforts on her behalf. Central to the book is the written correspondence between Kelly and German theologian Jürgen Moltmann, known internationally as the theologian of hope. After reading Moltmann's work in a course taught by McBride at the prison, Kelly began a five-year correspondence with him. When Kelly was denied clemency, a local and international advocacy movement arose that was rooted in her theological studies and friendship with him. The advocacy campaign challenged Christians who supported the death penalty to re-examine basic truths of Christian faith. As it was unfolding, the story of Kelly's transformation changed people's minds not only about her case but also about the death penalty itself. Weaving together powerful storytelling and theological expertise, McBride recounts that story again here with an aim toward abolition and

offers practical ways that readers may enter the work
