HARDBARNED! One Man's Quest for Meaningful Work in the American South Christopher J. Driver, 2016-08-23
 Overeducated and underemployed. In love with learning but stumped on how to translate it into a paycheck. Desperately striving to make your seemingly useless liberal arts education work for you in any sort of satisfying or meaningful way. Trying to simultaneously engage your interests, skillset, and values and still pay the bills while pleading for another student loan deferment. I feel your pain and have stories to share but if you're looking for inspirational uplift, self-help, or a life coach, please look elsewhere.
HARDBARNED! One Man's Quest for Meaningful Work in the American South is a darkly comic, brutally honest, and introspective memoir about working for a living without being able to shake the feeling that there has got to be more to it than that.
