*The World Through the Eyes of Angels* Mahmoud Saeed, 2011-12-15 Mosul Iraq in the 1940s is a teeming multiethnic city where Arabs Kurds Assyrians Jews Aramaeans Turkmens Yazidis and Syriacs mingle in the ancient souks and alleyways In these crowded streets among rich and poor educated and illiterate pious and unbelieving a boy is growing up Burdened with chores from an early age and afflicted with an older brother who persecutes him with mindless sadism the child finds happiness only in stolen moments with his beloved older sister and with friends in the streets Closest to his heart are three girls encountered by chance a Muslim a Christian and a Jew After enriching the boy's life immensely all three meet tragic fates leaving a wound in his heart that will not heal A richly textured portrayal of Iraqi society before the upheavals of the late twentieth century Saeed's novel depicts a sensitive and loving child assailed by the cruelty of life Sometimes defeated but never surrendering he is sustained by his city and its people *Chronicles of Majnun Layla and Selected Poems* Qassim Haddad, 2014-09-24 *Chronicles of Majnun Layla and Selected Poems* brings together in one volume Haddad's seminal work and a considerable selection of poems from his oeuvre stretching over forty years The central poem *Chronicles of Majnun Layla* recasts the seventh century myth into a contemporary postmodern narrative that revels in the foibles of oral transmission weaving a small side cast of characters into the fabric of the poem Haddad portrays Layla as a daring woman aware of her own needs and desires and not afraid to articulate them The author succeeds in reviving this classical work of Arabian love while liberating it from its puritanical dimension and tribal overtones The selected poems reveal Haddad's playful yet profound meditations A powerful lyric poet Haddad juxtaposes classical and modern symbols and mixes the old with the new the sensual with the sacred and the common with the extraordinary Ghazoul and Verlenden's masterful translation remains faithful to the cultural and historical context in which the original poetry was produced while also reflecting the uniqueness of the poet's style and his poetics *Arabs and the Art of Storytelling* Abdelfattah Kilito, 2014-12-08 In *Arabs and the Art of Storytelling* the eminent Moroccan literary historian and critic Kilito revisits and reassesses in a modern critical light many traditional narratives of the Arab world He brings to such celebrated texts as *A Thousand and One Nights* *Kalila and Dimna* and *Kitab al Bukhala* refreshing and iconoclastic insight giving new life to classic stories that are often treated as fossilized and untouchable cultural treasures For Arab scholars and readers poetry has for centuries taken precedence overshadowing narrative as a significant literary genre Here Kilito demonstrates the key role narrative has played in the development of Arab belles lettres and moral philosophy His urbane style has earned him a devoted following among specialists and general readers alike making this translation an invaluable contribution to an English speaking audience **The Story of Joseph**, 2014-05-08 At the heart of this volume is the translation of a fourteenth century Turkish version of the Joseph story better known to Western readers from the version in Genesis first book of the Hebrew Bible Hickman provides us with a new lens we see the drama of the Old Testament prophet Joseph son of Jacob

through Muslim eyes The poem's author Sheyyad Hamza lived in Anatolia during the early days of the Ottoman Empire Hamza's composition is rooted in the recondite and little studied tradition of oral performance a unique corner of Turkish verbal arts situated between minstrelsy and the divan tradition combining the roles of preacher and storyteller A cultural document as well as a literary text that reflects the prevailing values of the time Hamza's play reveals a picture of Ottoman sensibility both aesthetic and religious at the level of popular culture in premodern Turkey To supplement and contextualize the story Hickman includes an introduction a historical literary afterword and notes to the translation all ably assisting an unfamiliar reader's entry into this world

The Emperor Tea Garden Nazli Eray, 2013-05-02 In Eray's world of fantasy and fun there are few boundaries between reality and imagination There is a roadside tea garden where spirits gather by night to carry on flirtations until they fade into the dawn and there is a tavern in Bartın where men make their lost illusions of love come alive by thinking of them The narrator exchanges places with Night for twenty four hours to find out what it means to be the unsleeping Night the guardian of dreams The slot machines in a casino provide love advice and clues to the multiple realities of romance history and everyday life A mixture of drama and fable confession and memoir the fabulous and the prosaic The Emperor Tea Garden is a place where you have never been and always are As you turn each page of Eray's work you are in a different world sometimes several at the same time

**Monarch of the Square**, 2014-10-28 A master of the short story form Muhammad Zafzaf is one of Morocco's greatest narrative writers This anthology the first collection of his work translated into English is a tribute to the remarkable influence he exerted on an entire generation of Moroccan storytellers Zafzaf's stories are set within a variety of contexts each portraying a slice of life a simple struggle for survival in a challenging world that is changing at a rapid pace Narrative time is reduced to a single glimpse in these stories full of irony sarcasm and sympathy He covers all aspects of Moroccan life from remote rural villages to modern cities The stories in this collection explore the various myths beliefs and traditions that operate within Moroccan culture questioning them from a distance in an easy conversational manner that is the hallmark of Zafzaf's style

Tree of Pearls, Queen of Egypt Jurji Zaydan, 2012-12-04 Shajar al Durr known as Tree of Pearls was one of the most famous Arab queens and the only woman in the medieval Arab world to rule in her own name Her narrative is one element of a much larger story of the unsettled political climate of thirteenth century Egypt In this eponymous novel Zaydan charts the fall of the Ayyubid Dynasty and the rise of the Mamluke Dynasty through the adventures of Tree of Pearls and Rukn al Din Baybars a young Mamluke commander who eventually triumphs as the ruler of Egypt War political intrigue murder and a female ruler who was born a slave combine for an irresistible story while Zaydan's keen observations on royal politics and subverted gender roles offer readers a richly detailed glimpse of the cultural milieu of the time Tree of Pearls originally published in 1914 is the last in a famous series of historical novels written by Zaydan an accomplished historian whose books continue to be read widely in the Arab world today Selim's fluid translation introduces an English audience to one of the Arab world's influential writers

earliest name for the work was likely the Sepher Hekhalot Book of the Palaces however all copies have been so reworked that it cannot be known for sure It is clear that Rabbi Ishmael did not write it and his name which is in almost every verse was inserted to replace another name that the medieval publisher did not want associated with the book Rabbi Ishmael was the author of the book called Hekhalot Rabbati Greater Palaces sometime between 100 and 130 AD and his name was late used as a pseudonym by many authors of Merkabah literature between 200 and 1000 AD     **A Dictionary of the Bible:**
