The Return of the Serpents of Wisdom Mark Amaru Pinkham, 1997-09 According to ancient records, the patriarchs and founders of the early civilisations in Egypt, India, China, Peru, Mesopotamia, Britain, and the Americas were colonised by the Serpents of Wisdom, who arrived in these lands after abandoning their beloved homelands and crossing great seas. While bearing names denoting snake or dragon, these Serpents of Wisdom oversaw the construction of magnificent civilisations within which they and their descendants served as the priest-kings and as the enlightened heads of mystery school traditions. This book recounts the history of these Serpents and why they are returning now.

Calm Clarity Due Quach, 2018-05-15 Author of the viral Medium piece *Poor and Traumatized at Harvard*, Due Quach shares her Calm Clarity program to show readers how to deal with toxic stress and adversity. We often don't realize how much control we have over our thoughts, feelings, and actions; on some days, the most minor irritation can upset us, but on others, we are in our best form and can rise to challenges with grace. These fluctuations depend on the neural networks firing in our brains, and we have the power to consciously break hardwired thought patterns. Due Quach developed an intimate understanding of the brain during her personal journey of healing from post-traumatic stress disorder. According to Quach, people function in three primary

emotional states Brain 1 0 Brain 2 0 and Brain 3 0 In Brain 1 0 people act out of fear and self preservation Brain 2 0 involves instant gratification and chasing short term rewards at the expense of long term well being Brain 3 0 is a state of mind that Quach calls Calm Clarity in which people s actions are aligned with their core values As Quach confronted PTSD and successfully weaned herself off medication she learned how to activate exercise and strengthen Brain 3 0 like a muscle In Calm Clarity she draws on the latest scientific research and ancient spiritual traditions alike to show us how we too can take ownership of our thoughts feelings and actions in order to be our best selves *Patanjali's Yoga Sutras* Swami
