Build your house

Can you make a picture of your house using just shapes?
Take a house shape and use shapes to make a house. Use shapes to make a house.

My family tree

Instructions

Discuss with your child(ren) what a family tree is and explain that it is a graph showing how our family is connected to one another.

Write out a list of family members (starting with the oldest and youngest children). Then parents. Then grandparents and such like. Make connections about who is related to whom and depending on interest, you can add more to the list. Use the list to make a family tree.

Draw your child(ren) some examples of what a family tree might look like. Explain that it is a graph showing how our family is connected to one another. Use the list to make a family tree.

Ask them how they would like to draw a family tree and use the list of family members completed to make a unique and accurate family tree together.

Examples of family trees

How to draw a family tree

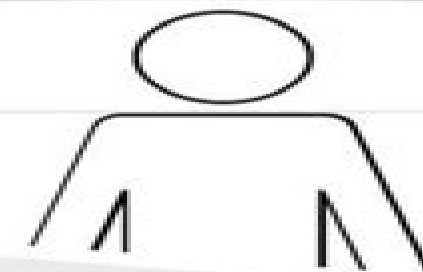

Ask your child(ren) to tell you what they notice about each family tree. Do they have a root? How many children does each family tree have? How many?

In a family tree, everyone who is related to a child is shown. Diagrams of how a family tree is drawn with the parents/grandparents and the family and the children/grandchildren in the branches.
