Therapeutic Uses Of Storytelling An Interdisciplinary Approach To Narration As Therapy:

Therapeutic Uses of Storytelling Camilla Asplund Ingemark,2015-01-01 In this cross disciplinary study a group of researchers critically examine the ways in which narrative that is written and told stories and legends might aid in coping with traumatic or stressful life situations and with the emotions that these situations engender Starting with an introduction of basic narrative theories and the therapeutic effects of storytelling the book moves on to a series of lucid case studies The contributors present a diversity of material such as weblogs poetry magazines memoirs and oral accounts from antiquity to the present With a diversity of perspectives the contributors hail from a variety of fields including folkloristics psychology writing studies poetry therapies and classical studies this book benefits specialists in a number of different disciplines as well as individuals interested in the possibility of inner exploration sparked by storytelling *Narrative Humanism* Wyatt

Moss-Wellington,2019-09-13 This book attempts to clarify the narrative conditions of humanism asking how we can use stories to complicate our understanding of others and questioning the ethics and efficacy of attempts to represent human social complexity in fiction With case studies of films like Parenthood 1989 American Beauty 1999 Little Miss Sunshine 2006 and The Kids Are All Right 2010 this original study synthesises leading discourses on media and cognition evolutionary anthropology literature and film analysis into a new theory of the storytelling instinct **Single Session One at a Time**

Counselling with Couples Martin Söderquist,2022-12-05 This book introduces One at a Time Ooat Single Session Therapy SST for couples presenting a new and innovative format for couples counselling and therapy that fills the gaps between SST and traditional couples therapy models The book covers the historical background of brief therapy the concept of change in different therapy models and the different formats of SST The general mindset as well as the specific thinking and practice of SST Ooat are described in detail combined with practical guidelines and many concrete examples from couple sessions Five full length Ooat session stories give the reader a clear sense of what Ooat with couples really is like and how different counselors use their personal styles and preferences Single Session One at a Time Counselling with Couples is written for working therapists therapists in training supervisors managers and couples themselves who are thinking of scheduling therapy

Disability and the Future of Work Fitore Hyseni,Lisa Schur,Douglas Kruse,Peter Blanck,2025-07-09 This volume of Research in Social Science and Disability brings together leading research that examines how systemic policies and practices pandemic driven transformations and strategies for diversity equity and inclusion DEI continue to shape the employment landscape for workers with disabilities **Solomonica Magica: Solomon, Sisinnius, and the Holy Rider on**

Greek-Inscribed Amulets from Late Antiquity and Early Byzantium Juraj Franek,2025-07-24 Solomonica Magica is the first comprehensive survey of Solomonic or Holy Rider amulets from the Mediterranean of Late Antiquity and Early Byzantium Hundreds of magical gems leaf shaped pendants circular medallions and other apotropaic objects many of which were previously unpublished are presented against the backdrop of a parabiblical tradition involving Solomon the Magician

and Sisinnius the Demon Hunter All Greek texts have received fresh critical editions and English translations The text of the monograph is richly illustrated with over 700 images many newly commissioned specifically for this volume **Bride of Hades to Bride of Christ** Abbe Lind Walker,2020-02-14 This volume argues that ancient Greek girls and early Christian virgins and their families made use of rhetorically similar traditions of marriage to an otherworldly bridegroom in order to handle the problem of a girl's denied or disrupted transition into adulthood In both ancient Greece and early Christian Rome the standard female transition into adulthood was marked by marriage sex and childbirth When problems arose just before or during this transition the transitional girl's status within society became insecure Walker presents a case for how and why the dead Greek virgin girl depicted in Archaic through Hellenistic sources in both texts and inscriptions as a bride of Hades and the life long female Christian virgin or celibate ascetic dubbed the bride of Christ around the third century CE provide a fruitful point of comparison as particular examples of strategies used to neutralize the tension of disrupted female transition into adulthood **Bride of Hades to Bride of Christ** offers a fascinating comparative study that will be of interest to anyone working on virginity and womanhood in the ancient world

The Werewolf in the Ancient World Daniel Ogden,2021-01-07 In a moonlit graveyard somewhere in southern Italy a soldier removes his clothes in readiness to transform himself into a wolf He depends upon the clothes to recover his human shape and so he magically turns them to stone but his secret is revealed when back in human form he is seen to carry a wound identical to that recently dealt to a marauding wolf In Arcadia a man named Damarchus accidentally tastes the flesh of a human sacrifice and is transformed into a wolf for nine years At Temesa Polites is stoned to death for raping a local girl only to return to terrorize the people of the city in the form of a demon in a wolfskin Tales of the werewolf are by now well established as a rich sub strand of the popular horror genre less widely known is just how far back in time their provenance lies These are just some of the werewolf tales that survive from the Graeco Roman world and this is the first book in any language to be devoted to their study It shows how in antiquity werewolves thrived in a story world shared by witches ghosts demons and soul flyers and argues for the primary role of story telling as opposed to rites of passage in the ancient world's general conceptualization of the werewolf It also seeks to demonstrate how the comparison of equally intriguing medieval tales can be used to fill in gaps in our knowledge of werewolf stories in the ancient world thereby shedding new light on the origins of the modern phenomenon All ancient texts bearing upon the subject have been integrated into the discussion in new English translations so that the book provides not only an accessible overview for a broad readership of all levels of familiarity with ancient languages but also a comprehensive sourcebook for the ancient werewolf for the purposes of research and study

The Dragon in the West Daniel Ogden,2021 The Dragon in the West is the first book to offer an in depth examination of the history of the image and idea of the dragon A creature popular in contemporary fiction and cinema Ogden reveals how the dragon was known to the ancient Greek and Roman worlds and came down to us through early Christianity Anglo Saxon and Norse legends

Poverty Reduction Through Non-Timber Forest Products Deepa Pullanikkatil, Charlie M. Shackleton, 2018-11-23

This book narrates personal stories of people from around the world who have used natural products in particular Non Timber Forest Products NTFPs as a means to come out of poverty Ending poverty remains a major worldwide challenge and is the number one goal under the UN Sustainable Development Goals The book fills an important knowledge gap that of personal stories of NTFP users This has not been part of past publications on NTFPs which tend to focus on statistics and analysis of numbers thus the human faces of NTFP users are missing Narrative stories provide a wealth of data about people and their experiences rather than aggregated classifications categories and characteristics of poverty The objective of this book is to illustrate the poverty alleviation potential of NTFPs through documenting the personal life stories of individuals and households that lifted themselves out of poverty through trade of NTFPs This book is for all who are interested in poverty alleviation and NTFPs American Book Publishing Record, 2007 **The Therapeutic Use of Stories** Kedar Nath

Dwivedi, 1997 Multi disciplinary contributors share their experience of using stories as therapy with children and adults They provide a theoretical framework examples of stories with therapeutic value and practical advice on how best to use them

Reimagining Narrative Therapy Through Practice Stories and Autoethnography Travis Heath, Tom Stone Carlson, David Epston, 2022-06-19 Reimagining Narrative Therapy Through Practice Stories and Autoethnography takes a new pedagogical approach to teaching and learning in contemporary narrative therapy based in autoethnography and storytelling The individual client stories aim to paint each therapeutic meeting in such detail that the reader will come to feel as though they actually know the two or more people in the room This approach moves beyond the standard narrative practice of teaching by transcripts and steps into teaching narrative therapy through autoethnography The intention of these teaching tales is to offer the reader an opportunity to enter into the very heart and soul of narrative therapy practice much like reading a novel has you enter into the lives of the characters that inhabit it This work has been used by the authors in MA and PhD level classrooms workshops week long intensive courses and conferences around the world where it has received commendations from both newcomer and veteran narrative therapists The aim of this book is to introduce narrative therapy and the value of integrating autoethnographic methods to students and new clinicians It can also serve as a useful tool for advanced teachers of narrative practices In addition it will appeal to established clinicians who are curious about narrative therapy who may be looking to add it to their practice as well as students and scholars of autoethnography and qualitative inquiry and methods

Narrative Therapy Catrina Brown, Tod Augusta-Scott, 2006-08-03 This volume is especially useful in demonstrating the effects of placing social discourses at the center of therapy It goes many sacred cows of the larger modernist therapeutic community but in doing so it offers new ideas for mental health professionals attempting to help their clients with common and serious life problems PSYCRITIQUES This compilation is an insightful read for practitioners who have not taken the opportunity to use narrative therapy in practice Experienced practitioners will certainly appreciate the theoretical analysis

offered by the writers as well as the opportunity for reflective practice Narrative Therapy is a meaningful contribution to a Canadian book market lacking in clinical literature for social workers CANADIAN ASSOCIATION OF SOCIAL WORKERS Narrative Therapy Making Meaning Making Lives offers a comprehensive introduction to and critique of narrative therapy and its theories This edited volume introduces students to the history and theory of narrative therapy Authors Catrina Brown and Tod Augusta Scott situate this approach to theory and practice within the context of various feminist post modern and critical theories Through the presentation of case studies Narrative Therapy Making Meaning Making Lives shows how this narrative oriented theory can be applied in the client therapist experience Many important therapeutic situations abuse addictions eating disorders and more are addressed from the narrative perspective Rooted in social constructionism and emerging initially from family therapy narrative therapy emphasizes the idea that we live storied lives Within this approach the editors and contributors seek to show how we make sense of our lives and experiences by ascribing meaning through stories which themselves arise within social conversations and culturally available discourses Our stories don t simply represent us or mirror lived events they actually constitute us shaping our lives as well as our relationships Narrative Therapy will be a valuable supplemental textbook for theory and practice courses in departments of Counseling and Psychotherapy and of Social Work as well as for courses in Gender and Women Studies

Narrative Means to Therapeutic Ends Michael White (psicoterapia), David Epston, 1990

Therapeutic Storytelling and the Narrative Perspective Gregory Vincent Plante, 2006 This doctoral research study attempted to describe how psychotherapists influenced by social constructionist narrative practices utilize storytelling in their work with children and families After reviewing the history of storytelling and the developmental appropriateness of storytelling and metaphor with children therapeutic storytelling was further described from a number of perspectives The research study s aim was to broaden the scope of analysis to include family play therapy perspectives and the practice of narrative therapy in the use of storytelling Utilizing a phenomenological method seven social constructionist narrative therapists were interviewed about their use of therapeutic storytelling with children and families The narratives of the participants were analyzed thematically and the major themes and sub themes that emerged were presented Suggestions were made on how to make therapeutic storytelling more narrative friendly

Doing Narrative Therapy Jill Freedman, Jill, M. S. W.
