There Are No Mistakes There Are No Mistakes:

There Are No Mistakes Eleanor Wiley, Caroline Pincus, 2006-03-20 There are no mistakes there are only choices That is the simple premise of There Are No Mistakes which Eleanor Wiley has learned in twenty five years of sobriety as a mediator an artist and a teacher This astoundingly candid and simple book is illustrated with personal stories from the author and people she has encountered on her path along with specific and simple exercises to do at the end of each chapter Wiley acknowledges that you won't be perfect and you may not be happy all of the time and you may not be rich or amazingly enlightened but you will be okay And the thing about okay is that it's really a great thing it's about moving through the world with a sense of grace and ease Eleanor Wiley is a former speech pathologist and gerontologist who began her prayer bead practice at age fifty eight She teaches workshops on making prayer beads as a spiritual practice all over the world her pieces have been worn by Ram Dass and His Holiness the Dalai Lama She is the author of A String and a Prayer Her own spiritual practice includes beading sitting meditation with both Christian and Buddhist communities and practicing yoga and the Twelve Steps Wiley's prayer beads are available through her website

A Twilight Struggle Robert Kagan, 1996 Kagan contends that the Carter administration's halfhearted intervention in Nicaragua was in response to American feelings of guilt for Washington's longtime support of the Somoza dynasty The Reagan era intervention on the other hand originated in American anxiety over Soviet encroachment in the Western hemisphere Kagan recounts how American popular aversion to the employment of U S military muscle in Central America led to the administration's covert support of the contras and goes on to explain how the clash between the Reagan White House and Congress over freedom fighter funding led to the Iran contra affair in 1987 Although the surprising electoral victory of Violeta Chamorro over the Sandinistas was widely recognized as a success for American policy the U S remains caught in a continuous cycle of intervention and withdrawal in Nicaragua according to Kagan As a member of the State Department's Policy Planning Staff Kagan was a direct participant in many of the events described in this authoritative and definitive account of U S Publisher's description
