

BOOK REVIEW

There Was A Country A Memoir

George Patterson

There Was A Country A Memoir:

There Was a Country Chinua Achebe, 2012-10-11 From the legendary author of *Things Fall Apart* comes a long-awaited memoir about coming of age with a fragile new nation then watching it torn asunder in a tragic civil war. The defining experience of Chinua Achebe's life was the Nigerian civil war, also known as the Biafran War of 1967-1970. The conflict was infamous for its savage impact on the Biafran people. Chinua Achebe's people, many of whom were starved to death after the Nigerian government blockaded their borders. By then Chinua Achebe was already a world-renowned novelist with a young family to protect. He took the Biafran side in the conflict and served his government as a roving cultural ambassador from which vantage he absorbed the war's full horror. Immediately after Achebe took refuge in an academic post in the United States and for more than forty years he has maintained a considered silence on the events of those terrible years, addressing them only obliquely through his poetry. Now, decades in the making, comes a towering reckoning with one of modern Africa's most fateful events from a writer whose words and courage have left an enduring stamp on world literature. Achebe masterfully relates his experience both as he lived it and how he has come to understand it. He begins his story with Nigeria's birth pangs and the story of his own upbringing as a man and as a writer so that we might come to understand the country's promise which turned to horror when the hot winds of hatred began to stir. To read *There Was a Country* is to be powerfully reminded that artists have a particular obligation, especially during a time of war. All writers, Achebe argues, should be committed writers; they should speak for their history, their beliefs, and their people. Marrying history and memoir, poetry and prose, *There Was a Country* is a distillation of vivid firsthand observation and forty years of research and reflection. Wise, humane, and authoritative, it will stand as definitive and reinforce Achebe's place as one of the most vital literary and moral voices of our age.

There Was a Country Chinua Achebe, 2013-09-24 From the legendary author of *Things Fall Apart* a long-awaited memoir of coming of age in a fragile new nation and its destruction in a tragic civil war. For more than forty years Chinua Achebe maintained a considered silence on the events of the Nigerian civil war, also known as the Biafran War of 1967-1970, addressing them only obliquely through his poetry. Decades in the making, *There Was a Country* is a towering account of one of modern Africa's most disastrous events from a writer whose words and courage left an enduring stamp on world literature. A marriage of history and memoir, vivid firsthand observation and decades of research and reflection, *There Was a Country* is a work whose wisdom and compassion remind us of Chinua Achebe's place as one of the great literary and moral voices of our age.
