Things Left Unspoken Publisher Revell Original Edition:

Things Left Unspoken Eva Marie Everson, 2009-06-01 Jo Lynn Hunter is at a crossroads in life when her great aunt Stella insists that she return home to restore the old family house in sleepy Cottonwood Georgia Seeing the project as the perfect excuse for some therapeutic time away from her self absorbed husband and his snobby Atlanta friends Jo Lynn longs to get her teeth into a noteworthy and satisfying project But things are not what they seem both in the house and within the complex history of her family Was her great grandfather the pillar of the community she thought he was What is Aunt Stella hiding And will Jo Lynn s marriage survive the renovation Jo Lynn isn t sure she wants to know the truth but sometimes the truth has a way of making itself known The past comes alive in this well written and thoughtful novel full of secrets drama and family with a hint of Southern drawl Unspeakable Things Unspoken Isabelle M. Hamley, 2019-01-30 The story of the raped and murdered woman of Judges 19 and the civil war and mass marriage that ensue in chapters 20 21 are hardly favorite tales of the Hebrew Bible The chapters have often been dismissed as little more than an anachronistic epilogue an awkward amalgamation of earlier stories or a text of terror proof of patriarchal oppression This book argues that far from being a clumsy collage Judges 19 21 is a carefully narrated tale that chronicles the descent of a nation into extreme individualism and fragmentation In dialogue with continental philosopher Luce Irigaray it will uncover the dynamics of identity formation and how differential constructions of identity of the One and the Other yield patterns of victimization and justification of violence This literary philosophical reading will bring out silences and missed possibilities for the subjectivity of women whilst also shedding light on the victimization of men within the logic of totalitarian identity constructions The end of Judges therefore offers a theological conclusion to the book as a whole and opens up avenues for thought on theological anthropology understandings of identity and gender and a theological commentary on violence *The Publisher*, 1908
