Van Reken, 2010 **Third Culture Kids** David C. Pollock, 2001 **Handbook of Research on Critical Issues and Global Trends in International Education** Barker, Megel R., Hansen, Robyn Conrad, Hammer, Liam, 2023-11-24 The

Handbook of Research on Critical Issues and Global Trends in International Education addresses the growing complexity and diversity of international schools by examining the critical issues and global trends faced by practitioners in this field. With a lack of research on the experiences and actions of school practitioners in these isolated workplaces, this book aims to provide practical and evidence-based solutions. The book covers a wide range of topics including equity and access, diversity, teacher retention, legal frameworks, school typology, governance, cultural competence, third culture kids, leadership, and practice, technology, and parent engagement. Written by educational professionals, researchers, and anthropologists, it offers a unique collection of voices from those with lived experiences in this field, making it an invaluable resource for anyone interested in gaining a deeper understanding of the international school sector. Whether you are an educator, researcher, policymaker, school leader, lecturer, or anthropologist, the Handbook of Research on Critical Issues and Global Trends in International Education is a must-read, comprehensive guide to the complexities and challenges of international education, providing practical solutions for improving the quality of education in this rapidly evolving field. If you are looking to gain a nuanced understanding of the critical issues facing international schools and evidence-based approaches for addressing these challenges, this book is the perfect resource for you.

Global Issues Shirley A. Fedorak, 2013-11-29 *Global Issues* is a pedagogically rich book that addresses prominent issues of contemporary concern.

Migration, Diversity, and Education Fred Dervin, 2016-01-10 The concept of Third Culture Kids is often used to describe people who have spent their childhood on the move, living in many different countries and languages. This book examines the hype, relevance, and myths surrounding the concept while also redefining it within a broader study of transnationality to demonstrate the variety of stories involved.

Second Language Students in English-Medium Classrooms Coreen Sears, 2015 This practical guide is for all teachers, administrators, and parents of children in international schools with students from linguistically and culturally diverse backgrounds. It includes references to the latest uses of embedded technology and many exemplary strategies and resources that are becoming customary usage in international schools.

The Writer and the Overseas Childhood Antje M. Rauwerda, 2014-01-10 What does Ian McEwan have in common with Barbara Kingsolver? Or The Shack's William Paul Young with *The Way the Crow Flies* Ann Marie MacDonald? All four spent significant portions of their formative years overseas as expatriates; all four are third culture kids. These authors share experiences of cultural and geographical displacement that fracture constructions of home and identity as their fiction attests. This study surveys 17 authors with expat backgrounds to define third culture literature, a burgeoning yet unrecognized branch of international writing characterized by expressions of dislocation, loss, and disenfranchisement. By explicating how the shared cultural details of these writers emerge in literary themes and images, this work introduces third culture literature as a separate field, reinterpreting the work of major writers from across the globe.
