of the Septuagint including the Deuterocanon New Testament from the New King James Version Commentary drawn from the early Church Christians Easy to Locate liturgical readings Book Introductions and Outlines Index to Annotations Index to Study Articles Full color Maps Questions That Christians Need Answers To Lawrence Worth, 2011-07-16 I am a physical Jew who accepted the Lord Jesus Christ as my personal savior at the age of 40 I am now 68 You would consider me a Messianic Jew whom God lifted off the veil spoken of in Isaiah 6 10 29 10 and in Romans 11 7 10 25 and in John 12 40 I wondered in the wilderness for 40 years in the dark I am also a retired physician of Internal Medicine and thus interested in the relationship between the spirit soul and brain Also as a Jew who can now see the light I can see why God allowed the Holocaust to occur as dreadful as it was But I also see in the near future the end of this age a more severe calamity befalling my people the Jews called The Time of Jacobs Trouble Jer 30 7 or the Great Tribulation Dan 12 1 under an even worse leader the AntiChrist I am also greatly concerned about the Doctrines of the Pretribulation Rapture and Imminency and desire to show you why these Doctrines are in error My main source of Bible study is the Bible itself and the help of the Greek meaning of certain words **'The Real Scriptures' of God** James Platter, 2012-08 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isn't in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else's church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language
