Thomas Jefferson Christopher Hitchens, 2024-04-16 An artful portrait of a complex formative figure in American history and his turbulent era from a New York Times bestselling author A balanced readable portrait A refreshing perspective New York Times Book Review In this unique biography of Thomas Jefferson leading journalist and social critic Christopher Hitchens offers a startlingly new and provocative interpretation of our Founding Father a man conflicted by power who wrote the Declaration of Independence and acted as ambassador to France yet yearned for a quieter career in the Virginia legislature A masterly writer Jefferson was an awkward public speaker A professed proponent of emancipation he elided the issue of slavery from the Declaration of Independence and continued to own human property A reluctant candidate he left an indelible presidential legacy This opinionated lively narrative sheds light not only on Jefferson s complex personality but on the politics of his time making it both a fascinating character study and an excellent review of early American history Publishers Weekly Hitchens brings his inimitable style of coruscating precision to Jefferson s ambiguities which have long provoked disparate opinions Imaginative without being inventive Hitchens is the rare author who can prune a complicated life such as Jefferson s to reveal its salient characteristics Booklist *American Presidents Eminent Lives Boxed Set* Paul Johnson, Christopher Hitchens, Michael Korda, 2005-11-01 Eminent Lives In American Political History A perfect gift for your favorite history buff or for your own collection this set from the acclaimed Eminent Lives series is a must for anyone interested in the story of America George Washington The Founding Father Celebrated journalist and historian Paul Johnson paints a vivid portrait of George Washington as a young entrepreneur masterly commander in chief patient Constitution maker and wise president Thomas Jefferson Author of America Internationally renowned writer and political commentator Christopher Hitchens explores the life of Thomas Jefferson within the context of America s evolution bringing him to life as both a man of his time and as a visionary who could see beyond it Ulysses S Grant The Unlikely Hero Legendary editor and bestselling author Michael Korda provides a shrewd but sympathetic portrait of Ulysses S Grant s successes and failures both military and political as he guided America through a crucial juncture in its history *The Struggle for Development and Democracy* Alessandro Olsaretti, 2021-12-13 In The Struggle for Development and Democracy Alessandro Olsaretti argues that we need significantly new theories of development and democracy to answer the problem posed by neoliberalism and the populist backlash namely uneven development and divisive politics This book proposes as a first step a truly multidisciplinary humanist social science to overcome the flaws of neoliberal economic theories and to recover a balanced approach to theories and policies alike that is especially needed in the wake of the 9 11 attacks These led to divisive culture wars which were compounded by the divisive populist politics This book begins to sketch such a humanist social science and applies it to answer one question who is responsible for neoliberalism and the populist backlash All royalties from sales of this volume will go to GiveWell org in honour of Alessandro Olsaretti s memory **Displacing Jesus** Charles A.
