Read the passage below. Then choose the statement that best summarizes all the supporting details.

I was in an alley dressed in light summer clothing. Coming out of the darkness at the end of the alley were hundreds of large gray rats. Their razor-sharp teeth glistened with saliva, and their eyes glowed red with a cold fury. I turned to run away, but attacking in the other direction were a dozen angry dogs—pit bulls! And these particular pit bulls were foaming at the mouth; they all had rabies. “Just my luck,” I muttered and did my best to wake up as quickly as possible.
