Wessex poems and other verses, by thomas hardy Thomas Hardy,1903 *Wessex Poems and Other Verses* Thomas Hardy,2021-02-19 WHEN you paced forth to wait maternity A dream of other offspring held my mind Compounded of us twain as Love designed Rare forms that corporate now will never be Should I too wed as slave to Mode s decree And each thus found apart of false desire A stolid line whom no high aims will fire As had fired ours could ever have mingled we And grieved that lives so matched should mis compose Each mourn the double waste and question dare To the Great Dame whence incarnation flows Why those high purposed children never were What will she answer That she does not care If the race all such sovereign types unknowns

1866 9 POSTPONEMENTS
 SNOW BOUND in woodland a mournful word Dropt now and then from the bill of a bird Reached me on wind wafts and thus I heard Warily waiting I planned her a nest in a leafless tree But the passers eyed and twitted me And said How reckless a bird is he Cheerily mating Fear filled I stayed me till summer tide In lewth of leaves to throne her bride But alas her love for me waned and died Warily waiting Ah had I been like some I see Born to an evergreen nesting tree None had eyed and twitted me Cheerily mating

1866 10 A CONFESSIO
 N TO A FRIEND IN TROUBLE
 YOUR troubles shrink not though I feel them less Here far away than when I tarried near I even smile old smiles

with listlessness Yet smiles they are not ghastly mockeries mere A thought too strange to house within my brain Haunting its outer precincts I discern That I will not show zeal again to learn Your griefs and sharing them renew my pain It goes like murky bird or buccaneer That shapes its lawless figure on the main And each new impulse tends to make out flee The unseemly instinct that had lodgment here Yet comrade old can bitterer knowledge be Than that though banned such instinct was in me

Wessex Poems and Other Verses Thomas Hardy, 2019-11-21 Thomas Hardy's *Wessex Poems and Other Verses* is a rich tapestry of lyric poetry deeply rooted in the rural landscapes and socio cultural nuances of southwestern England specifically the fictionalized Wessex region The collection showcases Hardy's signature style of combining natural imagery with poignant human emotion exploring themes of love loss and the inexorable flow of time Written in a period marked by the transition from Victorian ideals to modernist sensibilities these verses reflect a profound engagement with the changing world blending pastoral beauty with a sense of existential inquiry Hardy a novelist and poet whose works often grapple with the complexities of fate and free will was immersed in the rural life he chronicled His background in architecture and his keen observation of human nature informed his poetic sensibility allowing him to convey the depth of human experience through simple yet evocative language The transition from prose to poetry in his career allowed Hardy to explore themes of emotional and psychological intricacy in a more concentrated form This collection is highly recommended for readers seeking a profound exploration of nature and humanity conveyed through exquisite language Hardy's poetry invites readers to reflect on their own experiences amidst life's inexorable march making it a timeless companion for both poetry enthusiasts and general readers alike In this enriched edition we have carefully created added value for your reading experience A comprehensive Introduction outlines these selected works unifying features themes or stylistic evolutions The Author Biography highlights personal milestones and literary influences that shape the entire body of writing A Historical Context section situates the works in their broader era social currents cultural trends and key events that underpin their creation A concise Synopsis Selection offers an accessible overview of the included texts helping readers navigate plotlines and main ideas without revealing critical twists A unified Analysis examines recurring motifs and stylistic hallmarks across the collection tying the stories together while spotlighting the different work's strengths Reflection questions inspire deeper contemplation of the author's overarching message inviting readers to draw connections among different texts and relate them to modern contexts Lastly our hand picked Memorable Quotes distill pivotal lines and turning points serving as touchstones for the collection's central themes

Wessex Poems and Other Verses Thomas Hardy, 2017-09-15 Of the miscellaneous collection of verse that follows only four pieces have been published though many were written long ago and other partly written In some few cases the verses were turned into prose and printed as such it having been unanticipated at that time that they might see the light Whenever an ancient and legitimate word of the district for which there was no equivalent in received English suggested itself as the most natural nearest and often only expression of a thought it has been

made use of on what seemed good grounds p viThe pieces are in a large degree dramatic or personative in conception and this even where they are not obviously so The dates attached to some of the poems do not apply to the rough sketches given in illustration which have been recently made and as may be surmised are inserted for personal and local reasons rather than for their intrinsic qualities **Wessex Poems and Other Verses (Illustrated)** Thomas Hardy,2021-01-23 Wessex Poems
