

Western Sahara Western Sahara

George A. Pickart

Western Sahara Western Sahara:

Western Sahara Tony Hodges,1983 **Western Sahara** Erik Jensen,2005 Jensen explores the long standing conflict over the sovereignty of Western Sahara from its colonial roots to its present manifestation as a political stalemate

Western Sahara Stephen Zunes,Jacob Mundy,2010-08-04 The Western Sahara conflict has proven to be one of the most protracted and intractable struggles facing the international community Pitting local nationalist determination against Moroccan territorial ambitions the dispute is further complicated by regional tensions with Algeria and the geo strategic concerns of major global players including the United States France and the territory s former colonial ruler Spain Since the early 1990s the UN Security Council has failed to find a formula that will delicately balance these interests against Western Sahara s long denied right to a self determination referendum as one of the last UN recognized colonies The widely lauded first edition was the first book length treatment of the issue in the previous two decades Zunes and Mundy examined the origins evolution and resilience of the Western Sahara conflict deploying a diverse array of sources and firsthand knowledge of the region gained from multiple research visits Shifting geographical frames local regional and international provided for a robust analysis of the stakes involved With the renewal of the armed conflict continued diplomatic stalemate growing waves of nonviolent resistance in the occupied territory and the recent U S recognition of Morocco s annexation this new revised and expanded paperback edition brings us up to date on a long forgotten conflict that is finally capturing the world s attention *Perspectives on Western Sahara* Anouar Boukhars,Jacques Roussellier,2013-12-18 The ongoing conflict in Western Sahara is one of the more intractable legacies of European colonization in North Africa Following the withdrawal of Spain this territorial dispute escalated in 1975 into a war of independence between the Sahrawi people of the Polisario Front who were backed by Algeria and the states of Mauritania and Morocco In 1976 the Polisario Front established the Sahrawi Arab Democratic Republic which was not admitted in the UN but won recognition by a few states After multiple peace efforts the conflict reemerged in 2005 as the independence Intifada Today the Polisario Front controls about 20% of Western Sahara At the heart of the conflict lie geopolitical interests and incompatible claims aggravated by the use of military force and decades of mostly unproductive diplomatic maneuvers by international bodies and regional or foreign powers This thorough impartial survey brings together some of the best experts on the Sahara question to provide a broad based analysis of the problem from a range of perspectives Featuring new research the chapters examine the roots of the conflict its dynamics and potential solutions This groundbreaking text also addresses questions of law human rights natural resources from an analytical point of view Contributed by scholars from North Africa Europe and the U S it is an essential contribution to the literature of Middle East and African studies Perspectives on Western Sahara Anouar Boukhars,Jacques Roussellier,2013-12-18 The ongoing conflict in Western Sahara is one of the more intractable legacies of European colonization in North Africa Following the withdrawal of Spain this territorial dispute escalated in 1975 into a war of

independence between the Sahrawi people of the Polisario Front who were backed by Algeria and the states of Mauritania and Morocco In 1976 the Polisario Front established the Sahrawi Arab Democratic Republic which was not admitted in the UN but won recognition by a few states After multiple peace efforts the conflict reemerged in 2005 as the independence Intifada Today the Polisario Front controls about 20% of Western Sahara At the heart of the conflict lie geopolitical interests and incompatible claims aggravated by the use of military force and decades of mostly unproductive diplomatic maneuvers by international bodies and regional or foreign powers This thorough impartial survey brings together some of the best experts on the Sahara question to provide a broad based analysis of the problem from a range of perspectives Featuring new research the chapters examine the roots of the conflict its dynamics and potential solutions This groundbreaking text also addresses questions of law human rights natural resources from an analytical point of view Contributed by scholars from North Africa Europe and the U S it is an essential contribution to the literature of Middle East and African studies

Western Sahara Anthony G. Pazzanita, 1996 Western Sahara was formerly a Spanish colony whose sparse population was often cut off from the rest of the world However when the Spanish withdrew from the region in 1975 a series of territorial claims and Saharawi nationalist activity conspired to make Western Sahara a territory where freedom from colonial rule was not to be achieved without a struggle Since the dispute between Morocco the occupying force and the nationalist Polisario Front began the Western Sahara question has led to thousands of human casualties and significant economic losses All aspects of the Western Sahara and the conflict surrounding its status are covered in this annotated bibliography in which the literature is predominantly in English **The Western Sahara** George A. Pickart, 1992

Historical Dictionary of Western Sahara Tony Hodges, 1982 Western Sahara was a former Spanish colony until 1975 when Spain withdrew its forces and partitioned between Morocco and Mauritania Mauritania renounced its claim in 1979 Morocco has occupied the region since 1976 There is a government in exile calling itself the Saharan Democratic Arab Republic *Conflict and Peace in Western Sahara* János Besenyő, R. Joseph Huddleston, Yahia H. Zoubir, 2022-12-26 This book offers the first comprehensive analysis of MINURSO the United Nations Mission for the Referendum in Western Sahara focused on its activities composition purpose and operational future in Western Sahara the world's last colony The book's focus is broad examining MINURSO from key historical legal military and political angles whilst assessing the future of UN peacekeeping missions in the Western Sahara Supported by a diverse international mix of perspectives and professions including academics lawyers soldiers and humanitarian aid workers an in depth view of MINURSO is provided rooted in practical Western Saharan field experience The authors reveal the complexities of the region and of the mission locally but also analyze MINURSO through a global lens focusing on relations with the United States China Russia France and African states This approach emphasizes the importance of the region as a site of international struggle while remaining conscious of local contexts A landmark contribution to peacekeeping studies the book is vital reading for practitioners and academics

focused on the Western Saharan conflict and the MENA region but will also be of interest to those engaged in international relations international law and security studies

Western Sahara Damien Kingsbury, 2018-02-02 As the Spanish were preparing to leave colonized Western Sahara in 1975 Morocco invaded sparking a war with the Western Saharan Polisario Front About 70% of Western Sahara was occupied by Morocco which stations up to 140 000 soldiers in the territory primarily along a 1700 kilometre long sand berm that is protected by one of the world's largest fields of landmines In 1991 Morocco and the Polisario Front agreed to a truce ahead of a referendum on Western Sahara's future However Morocco has since refused to allow the referendum to take place and has begun the extensive exploitation of Western Sahara's non renewable natural resources This has both highlighted the plight of the Saharawi people who live in refugee camps in Algeria and in occupied Western Sahara and pushed the Polisario Front back to a position where it is openly canvassing for a return to war This book was originally published as a special issue of Global Change Peace and Security

The Western Sahara and the Frontiers of Morocco Robert Rézette, 1975

Global, Regional and Local Dimensions of Western Sahara's Protracted Decolonization Raquel Ojeda-Garcia, Irene Fernández-Molina, Victoria Veguilla, 2016-11-30 This book explores the traces of the passage of time on the protracted and intractable conflict of Western Sahara The authors offer a multilevel analysis of recent developments from the global to the local scenes including the collapse of the architecture of the UN led conflict resolution process the advent of the War on Terror to the the Sahara Sahel area and the impact of the Arab Spring and growing regional security instability Special attention is devoted to changes in the Western Sahara territory annexed by Morocco and the Sahrawi refugee camps in Algeria Morocco has adapted its governance and public policies to profound socio demographic transformations in the territory under its control and has attempted to obtain international recognition for this annexation by proposing an Autonomy Plan The Polisario Front and Sahrawi nationalists have shifted their strategy and pushed the centre of gravity of the conflict back inwards by focusing on pro independence activism inside the disputed territory

Western Sahara Besenyő János, 2009-08-20 The author of this book served in a number of peacekeeping operations in Western Sahara Darfur and Afghanistan therefore has gathered invaluable practical experience about such missions As UN military staff part of MINURSO in 2003 2004 János Besenyő started to narrowly deal with the history of Western Sahara the traditions and daily practices of the inhabitants of the area the activities of the peacekeeping force of the world organisation in particular with the root causes of the Saharan conflict and their possible solution In this book János Besenyő introduces the readers the causes and escalation of the conflict in Western Sahara the actors and the opposing parties together with their motivations thus he fills in a gap connected with less known part and problem of our ever globalising world

Western Sahara Stephen Zunes, Jacob Mundy, 2022-01-14 The Western Sahara conflict has proven to be one of the most protracted and intractable struggles facing the international community Pitting local nationalist determination against Moroccan territorial ambitions the dispute is further complicated by regional tensions with Algeria and

the geo strategic concerns of major global players including the United States France and the territory s former colonial ruler Spain Since the early 1990s the UN Security Council has failed to find a formula that will delicately balance these interests against Western Sahara s long denied right to a self determination referendum as one of the last UN recognized colonies The widely lauded first edition was the first book length treatment of the issue in the previous two decades Zunes and Mundy examined the origins evolution and resilience of the Western Sahara conflict deploying a diverse array of sources and firsthand knowledge of the region gained from multiple research visits Shifting geographical frames local regional and international provided for a robust analysis of the stakes involved With the renewal of the armed conflict continued diplomatic stalemate growing waves of nonviolent resistance in the occupied territory and the recent U S recognition of Morocco s annexation this new revised and expanded paperback edition brings us up to date on a long forgotten conflict that is finally capturing the world s attention

Endgame in the Western Sahara Toby Shelley, 2008-02-29 Why does this remote swathe of Sahara along the Atlantic seaboard concern the USA and Europe Why does Morocco maintain its occupation Why has the UN Security Council prevaricated for three decades while the Sahrawis live under Moroccan rule or as refugees In this revealing book Toby Shelley examines the geopolitics involved He brings out The little known struggle of Sahrawis living under Moroccan rule to defend their identity USA European competition for influence in the Maghreb The natural resources at stake rich fishing grounds phosphates and the prospect of oil The reasons behind the UN failure to resolve what is now Africa s last decolonisation issue The evolution of the USA backed Baker Plan to settle the dispute How the Western Sahara s history and future is tangled up with Moroccan Algerian rivalry The political development of Polisario independence movement and state in waiting Toby Shelley has talked to Polisario Moroccan Algerian and other diplomats He has visited the territory and had access to opposition activists and Moroccan officials In the refugee camps he interviewed the leadership of Polisario What emerges is that the fate of the Western Sahara is being moulded by global and regional forces and that it is the Sahrawis under Moroccan rule who are best placed to influence that fate

International Dimensions of the Western Sahara Conflict Yahia H. Zoubir, Daniel Volman, 1993-03-17 The war in the Western Sahara recently entered its sixteenth year Although progress toward peace has been made concrete steps to a final resolution have not yet occurred This has had serious political social economic and military consequences for the countries in the region Despite the significance of the issue until now very few scholarly works have dealt with the regional and international dimensions of the conflict In particular little attention has been paid to the role of the superpowers and of the United Nations in the region and to the other related issues which are the focus of this book The Western Sahara conflict raises serious questions about the role of international law and of the United Nations in achieving the decolonization of former colonial territories and resolving regional conflicts Taken together the work of the scholars diplomats and experts in international law who have contributed to this volume constitutes a significant contribution to our understanding of the role of outside powers

in the origins and evolution of the war in the Western Sahara Their work also casts new light on the efforts of the Maghrebi states to overcome regional divisions by themselves and on the continuing attempts by the United Nations to resolve the conflict in the Western Sahara and restore respect for international law This work will interest specialists West African affairs and in international law and organizations **War and Refugees** Richard I. Lawless, Laila Monahan, 1987

MINURSO - United Nations Mission for the Referendum in Western Sahara Janos Besenyo, 2023-07-17 In 1975 Spain relinquished control of its former colony of Spanish Sahara following a short conflict with the Polisario the armed movement representing many of the native Sahrawi people In the wake of Spain's withdrawal neighboring Morocco and Mauritania divided and occupied the territory In a fierce guerrilla war that saw the Polisario raid deep into Mauritania and even directly attack the capital city the latter nation gave up any claim to Western Sahara in 1979 and withdrew Morocco however chose to continue their occupation building a massive berm stretching for hundreds of kilometers in an effort to contain the Polisario and fighting continued until a ceasefire was agreed in 1991 One key element of the 1991 agreement was that a UN supervised referendum would be conducted to determine the future of Western Sahara To that end MINURSO Mission des Nations Unies pour l'Organisation d'un Référendum au Sahara Occidental was created to oversee the ceasefire and organize the referendum Over 30 years later however that referendum has still not taken place despite the original agreement and the involvement of some of the late twentieth century's leading diplomats and contrary to its previous promises Morocco is only willing to grant a high degree of autonomy in the occupied Western Sahara The Sahrawis and Polisario refuse to accept this thus the conflict remains unresolved and ever on the brink of reigniting The author of the book Janos Besenyo a professor at Eötvös University in Budapest Hungary and who served as a peacekeeper in MINURSO presents the history of the area the path leading to the creation of the mission and its operation over the past three decades and provides a detailed description of the mission's team sites and the opposing forces of the Polisario and Morocco This book draws upon several previously unpublished documents as well as previously unpublished photographs taken by peacekeepers This book is recommended not only to military foreign policy and diplomatic experts but also to anyone interested in the history of the region the events there and the oldest peacekeeping operation in Africa *Western Sahara* Pablo San Martín, 2010-10-15 The Western Sahara is the last colony in Africa and the only Spanish speaking territory in the Arab World When in 1975 the agonising Francoist Spain abandoned hastily its colony Morocco and Mauritania occupied the territory despite the protest of the UN and the resistance of a nascent Saharawi liberation movement the Frente Polisario During the first months the conflict displaced thousands of Saharawis to the neighbouring Algerian region of Tindouf where almost 200 000 Saharawis still live today in four large refugee camps But these camps are more than refugee settlements They became the centre of a state founded by the Saharawi nationalists the Saharawi Arab Democratic Republic now recognised by over 60 states worldwide and full member of the African Union The camps provided the opportunity to develop a process of nation building and identity

construction based on the principles of the revolutionary nationalism of the 1970s This book explores the dynamic process of construction of the new Saharawi identity culture and society developed in the refugee camps over the three last decades of conflict and analyses the complex articulation of elements from the Hispanic Arab and African worlds that shapes the contours of the Saharawi Refugee Nation **Fueling the Fire** Leo Kamil, 1987

Western Sahara Western Sahara Introduction

In today's digital age, the availability of Western Sahara Western Sahara books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Western Sahara Western Sahara books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Western Sahara Western Sahara books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Western Sahara Western Sahara versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Western Sahara Western Sahara books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Western Sahara Western Sahara books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Western Sahara Western Sahara books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them

invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Western Sahara Western Sahara books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Western Sahara Western Sahara books and manuals for download and embark on your journey of knowledge?

FAQs About Western Sahara Western Sahara Books

1. Where can I buy Western Sahara Western Sahara books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Western Sahara Western Sahara book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
