Publishers' Trade List Annual ,1991 **The World They Made Together** Mechal Sobel,2021-06-08 In the recent past enormous creative energy has gone into the study of American slavery with major explorations of the extent to which African culture affected the culture of black Americans and with an almost totally new assessment of slave culture as Afro American Accompanying this new awareness of the African values brought into America however is an automatic assumption that white traditions influenced black ones In this view although the institution of slavery is seen as important blacks are not generally treated as actors nor is their divergent culture seen as having had a wide ranging effect on whites Historians working in this area generally assume two social systems in America one black and one white and cultural divergence between slaves and masters It is the thesis of this book that blacks Africans and Afro Americans deeply influenced white s perceptions values and identity and that although two world views existed there was a deep symbiotic relatedness that must be explored if we are to understand either or both of them This exploration raises many questions and suggests many possibilities and probabilities but it also establishes how thoroughly whites and blacks intermixed within the system of slavery and how extensive was the resulting cultural interaction The Jewish Law Annual Volume 5 Bernard Jackson S,2013-05-13 Volume 15 of The Jewish Law Annual adds to the growing list of articles on Jewish law that have been published in volumes 1 14 of this series providing English speaking readers with scholarly material meeting the highest academic standards The volume contains six articles diverse in their scope and focus encompassing legal historical textual comparative and conceptual analysis as well as a survey of recent literature and a chronicle of cases of interest Among the topics covered are lying in rabbinical court proceedings unjust enrichment can a witness serve as judge in the same case Caro s Shulham Arukh v Maimonides Mishne Torah in the Yemenite community the New Jersey eruv wards
