What Blast Leaping Larry :

A Piper in Brazil James Donal Faulkner, 2006-04-19 The book recounts adventures some on a tropical Brazilian island and some in merry sessions with the Irish uilleann pipes in and around Rio de Janeiro and Sao Paulo Women Brazilian and foreign are ubiquitous The style is a light hearted pastiche of academic writing though some of the adventures and misadventures are quite alarming Many interesting insights into Brazil appear some inspired from Jean De Lery s fascinating 16th century account *Histoire d Un Voyage Faict en Terre du Bresil* The text is illustrated throughout with the titles and opening bars of traditional tunes There is a wealth of poetry and fun in these titles This is a unique feature the esoteric collection of tunes alone makes it a reference for all musicians with a sense of humour It is also unusual in the degree to which other languages figure The book is about real people in the real world and Portuguese Spanish French Gaelic and Latin all figure in addition to English with translations where necessary

The Book of Elves and Fairies Frances Jenkins Olcott, 2018-01-20 The Book of Elves and Fairies by Frances Jenkins Olcott is a magical journey into the world of mythical creatures folklore and timeless legends In this captivating collection Olcott takes readers on an enchanting adventure through the realms of elves fairies and other fantastical beings offering glimpses into the rich cultural heritage of diverse societies This book is more than just a collection of stories it is a celebration of imagination and the universality of supernatural beliefs that have shaped cultures for centuries Olcott s storytelling transports readers into the mystical world of magical creatures where elves and fairies dance through the pages and readers can explore the legends that have captivated generations Drawing from a wide array of global folklore this collection invites readers of all ages to embrace the beauty and mystery of these fabled beings With a deep reverence for tradition and a keen eye for detail Olcott brings these magical tales to life with vivid descriptions and evocative prose Through Book of Elves and Fairies Frances Jenkins Olcott not only preserves the essence of these beloved stories but also inspires readers to see the world through a lens of wonder and magic Whether you are an enthusiast of mythology a lover of fantasy or simply someone seeking to escape into a world of enchantment this book offers a delightful and thought provoking experience that will remain with you long after the final page is turned A captivating collection that breathes life into the enchanting folklore of elves and fairies Olcott s storytelling is both magical and educational making this a must read for fans of fantasy and mythology The diversity of cultures represented is remarkable and the tales will transport you into a world of wonder A beautiful compilation of stories that showcase the magical realms of elves and fairies from around the world The writing is vivid and the tales are engaging though some sections felt slightly repetitive Still it s a charming and imaginative read for those interested in folklore and fairy tales Frances Jenkins Olcott has done a marvelous job capturing the essence of these magical creatures The stories are filled with charm wisdom and wonder making this an excellent book for readers of all ages A timeless classic that will transport you into the heart of folklore An enjoyable read but I was expecting more depth in the exploration of each culture s

unique folklore While the stories are delightful they sometimes feel more like brief sketches rather than fully fleshed out tales Still a nice book for those looking for light reading on mythical creatures An enchanting collection that brings the world of elves and fairies to life Olcott s research is thorough and the stories themselves are filled with magic and beauty It could have delved deeper into the history and origins of some of the creatures but overall it s a delightful and whimsical read
