

Hans Urs von Balthasar

DARE WE  
HOPE

"THAT  
ALL MEN  
BE  
SAVED"?

*with a short discourse on Hell*

IGNATIUS

# What Dare We Hope What Dare We Hope

**Allan Aubrey Boesak**

## **What Dare We Hope What Dare We Hope:**

**Dare We Hope - 2nd Edition** Hans Urs von Balthasar, 2014-11-20 This book is perhaps one of the most misunderstood works of Catholic theology of our time Critics contend that von Balthasar espouses universalism the idea that all men will certainly be saved Yet as von Balthasar insists damnation is a real possibility for anyone Indeed he explores the nature of damnation with sobering clarity At the same time he contends that a deep understanding of God's merciful love and human freedom and a careful reading of the Catholic tradition point to the possibility not the certainty that in the end all men will accept the salvation Christ won for all For this all embracing salvation von Balthasar says we may dare hope we must pray and with God's help we must work The Catholic Church's teaching on hell has been generally neglected by theologians with the notable exception of von Balthasar He grounds his reflections clearly in Sacred Scripture and Catholic teaching While the Church asserts that certain individuals are in heaven the saints she never declares a specific individual to be in hell In fact the Church hopes that in their final moments of life even the greatest sinners would have repented of their terrible sins and be saved Sacred Scripture states God desires all men to be saved and to come to the knowledge of the truth For there is one God and there is one mediator between God and man the man Christ Jesus who gave himself as a ransom for all 1 Tim 2:4-5

**What Dare We Hope?** Gerhard Sauter, 1999-08-01 First in the new TPI Center of Theological Inquiry Princeton series entitled Theology for the Twenty first Century TTFC this volume focuses on the foundations of Christian hope Dare We Hope? Walter B. Gyger, 2025-10-01 In a time of war mistrust and global uncertainty where do we turn for hope Can we still cooperate in a divided world Walter B Gyger has spent a lifetime at the fault lines between power and principle failure and breakthrough This book is not a memoir It is a field guide to international governance grounded in lived experience It shows what is possible when we move beyond slogans and engage with the real world For diplomats politicians activists researchers students and citizens alike the book offers a path through complexity clear honest and rooted in practice Hope must not be confused with illusion It begins with a clear and realistic understanding of today's world Yes peace remains possible but it demands something deeper respect Respect for the rules for partners and above all for human beings and their rights Joseph Deiss Former President of Switzerland President of the 65th UN General Assembly September 2010 September 2011 When we truly listen across divides something shifts We create new reference points We begin to see with new eyes to feel with deeper empathy Transformation starts within us then flows outward taking root in communities and echoing across generations This book offers not just insight into diplomacy and cooperation where it works and where it breaks It also provides concrete tools Tools to turn hope into action Sanela Music Lee Founder of SANCHILD International Rotary International Champion of Peace Honoree 2025 Rotary International Representative to the UN in Geneva **Only God Will Save Us** Simon Cuff, 2020-04-30 God's being gives meaning to God's action So said Gustavo Guti rrez If we grasp what it means to say that God is just we learn what justice really looks like If we understand how divine anger works we understand

how we can be fruitfully angry Understanding who God is is not an ivory tower activity but one which helps us to better grasp of both Christian worship and Christian action An accessible introduction to the doctrine of God Only God Will Save Us demonstrates for students ordinands and Christian practitioners how a theological articulation of the nature of God can drive and refine Christian action in the world *Dare We Speak of Hope?* Allan Aubrey Boesak,2014-02-21 The phrase hopeful politics has dominated our public discourse in connection with the inspiring rise of Nelson Mandela in South Africa and the remarkable election of Barack Obama as president of the United States But what happens when that hope disappoints Can it be salvaged What is the relationship between faith hope and politics In this book Allan Boesak meditates on what it really means to hope in light of present political realities and growing human pain He argues that hope comes to life only when we truly face reality in the struggle for justice dignity and the life of the earth *Dare We Speak of Hope* is a critical provocative prophetic and above all hopeful book *Feasting on the Word* David Lyon Bartlett,Barbara Brown Taylor,2009-10-01 With this new lectionary commentary series Westminster John Knox offers the most extensive resource for preaching on the market today When complete the twelve volumes of the series will cover all the Sundays in the three year lectionary cycle along with movable occasions such as Christmas Day Epiphany Holy Week and All Saints Day For each lectionary text preachers will find four brief essays one each on the theological pastoral exegetical and homiletical challenges of the text This gives preachers sixteen different approaches to the proclamation of the Word on any given occasion The editors and contributors to this series are world class scholars pastors and writers representing a variety of denominations and traditions And while the twelve volumes of the series will follow the pattern of the Revised Common Lectionary each volume will contain an index of biblical passages so that nonlectionary preachers as well as teachers and students may make use of its contents **Will Many Be Saved?** Ralph P. Martin,2012-08-20 The question of whether and how people who have not had the chance to hear the gospel can be saved goes back to the beginnings of Christian reflection It has also become a much debated topic in current theology In *Will Many Be Saved* Ralph Martin focuses primarily on the history of debate and the development of responses to this question within the Roman Catholic Church but much of Martin s discussion is also relevant to the wider debate happening in many churches around the world In particular Martin analyzes the Dogmatic Constitution on the Church the document from the Second Vatican Council that directly relates to this question Contrary to popular opinion Martin argues that according to this text the conditions under which people who have not heard the gospel can be saved are very often in fact not fulfilled with strong implications for evangelization **Hope** Lichner Milos,2021-06-14 In our times hope is called into question The disintegration of economic systems of states and societies families friendships distrust in political structures forces us to ask if hope has disappeared from the experience of today s men and women In August 2019 up to 240 participants met at the international theological congress in Bratislava Slovakia The main lectures congress sections and workshops aimed to provide a space for thinking about the central theme of hope in relation to

philosophy politics pedagogy social work charity interreligious dialogue and ecumenism      *The Devil's Redemption : 2 Volumes* Michael J. McClymond, 2018-06-05 2018 Book Award Winner The Gospel Coalition Academic Theology A Choice Outstanding Academic Title for 2019 Will all evil finally turn to good or does some evil remain stubbornly opposed to God and God's goodness Will even the devil be redeemed Addressing a theological issue of perennial interest this comprehensive book in two volumes surveys the history of Christian universalism from the second to the twenty first century and offers an interpretation of how and why universalist belief arose The author explores what the church has taught about universal salvation and hell and critiques universalism from a biblical philosophical and theological standpoint He shows that the effort to extend grace to everyone undermines the principle of grace for anyone      **Kneeling Theology** Anton Strukelj, 2023-01-31 Anton Strukelj in this English edition of his book *Kneeling Theology* which was published in German Italian Polish Russian and Slovenian based his theme on the concept first developed by Hans Urs von Balthasar This Swiss intellectual is considered one of the most important theologians of the 20th century Strukelj sees as his task through a synthetic survey of questions to seek from his subjects a holistic perspective regarding the role of the theologian without doing a critical analysis of all their work *Kneeling Theology* analyzes the process and its consequences that gave rise to the religious and cultural developments of the past and the present It is his thesis that the essence of theology should flow from holiness He relies for his evidence on the life and work of Hans Urs von Balthasar which included the insights of Adrienne von Speyr physician and mystic Cardinal Joseph Ratzinger Pope Benedict XVI the Slovenian theologian Anton Strle now servant of God and Anton Vovk former Archbishop of Ljubljana fearless witness of Christ and his Church also servant of God Strukelj's purpose with this book is to point out that Catholic theology is best served not only by competent research and a thorough knowledge of Church tradition but by theologians who approach their work prayerfully and on their knees The rich theological and pastoral heritage that has been bequeathed to us by a small group of special people in this book has come about because of their scholarship and their holiness They have each in their own way demonstrated what it means to do theology on their knees and they have shared their scholarship and insights with us      **Kierkegaard and the Catholic Tradition** Jack Mulder, 2010 Although Søren Kierkegaard considered one of the most passionate Christian writers of the modern age was a Lutheran he was deeply dissatisfied with the Lutheran establishment of his day Some scholars have said that he pushed his faith toward Catholicism Placing Kierkegaard in sustained dialogue with the Catholic tradition Jack Mulder Jr does not simply review Catholic reactions to or interpretations of Kierkegaard but rather provides an extended look into convergences and differences on issues such as natural theology natural moral law Christian love apostolic authority the doctrine of hell contrition for sins the doctrine of purgatory and the communion of saints Through his analysis of Kierkegaard's philosophy of religion Mulder presents deeper possibilities for engagements between Protestantism and Catholicism      **An Eschatological Imagination** John M. Shields, 2008 In the twentieth century Christian eschatology the doctrine about the final reality became a storm

center for Christian systematic theologians because of the rediscovery of the eschatological character of Jesus Christ In the twenty first century Christian theologians continue to wrestle with the claims of Christian eschatology because of a postmodern suspicion of eschatological certainty claims about a future that is after all objectively unavailable yet still of great human concern Human beings live on hope for the future An Eschatological Imagination recognizes the problem of the future for Christian eschatology Building on the major theological writings of David Tracy it offers a revised way of thinking and living eschatologically in the form of an eschatological imagination as a rhetoric of virtue an exhortation to live in Christian hope in a postmodern world and into an objectively unavailable and uncertain future Within such a rhetoric hope becomes action not mere sentiment that seeks to create a Christian eschatological future

**Resurrection, Apocalypse, and the Kingdom of Christ** Stanley S. MacLean, 2012-04-19 In recent decades few Christian themes have attracted as much attention as that of eschatology or Christian hope Resurrection Apocalypse and the Kingdom of Christ explores the meaning of this theme for Thomas F Torrance one of the twentieth century s leading theologians This study the first of its kind brings Torrance s eschatology to light through an exploration of the whole range of his corpus including sermons lectures and correspondence It also demonstrates that his eschatology is molded by momentous historical events such as World War II the spread of communism and the ecumenical movement Out of all this we realize that eschatology is a central component of Torrance s theology so much so that it conditions his thinking on other Christian doctrines

**Searching for God** Gregory C. Higgins, 2014 Searching for God draws upon the traditional categories of systematic theology as it guides readers through the Catholic theological thought process involved in the search for God At each step we examine the work of a past thinker from the time of the early church up to the early twentieth century and a present thinker whose works are often required reading in theology courses Not only do readers have the opportunity to critically evaluate several important theological works in the Catholic tradition they can also enter into dialogue with those works as they engage in their own search for God Provided by publisher

**Mercy** Cardinal Walter Kasper, 1985 This book has done me so much good Pope Francis From one the leading intellects in the church today one whom Pope Francis has described as a superb theologian comes perhaps his most important book yet Available for the first time in English Cardinal Kasper looks to capture the essence of the gospel message Compassionate bold and brilliant Cardinal Kasper has written a book which will be studied for generations

**Hans Urs von Balthasar and the Critical Appropriation of Russian Religious Thought** Jennifer Newsome Martin, 2015-09-15 In Hans Urs von Balthasar and the Critical Appropriation of Russian Religious Thought Jennifer Newsome Martin offers the first systematic treatment and evaluation of the Swiss Catholic theologian s complex relation to modern speculative Russian religious philosophy Her constructive analysis proceeds through Balthasar s critical reception of Vladimir Soloviev Nikolai Berdyaev and Sergei Bulgakov with respect to theological aesthetics myth eschatology and Trinitarian discourse and examines how Balthasar adjudicates both the possibilities and the limits of theological

appropriation especially considering the degree to which these Russian thinkers have been influenced by German Idealism and Romanticism Martin argues that Balthasar's creative reception and modulation of the thought of these Russian philosophers is indicative of a broad speculative tendency in his work that deserves further attention In this respect Martin consciously challenges the prevailing view of Balthasar as a fundamentally conservative or nostalgic thinker In her discussion of the relation between tradition and theological speculation Martin also draws upon the understudied relation between Balthasar and F W J Schelling especially as Schelling's form of Idealism was passed down through the Russian thinkers In doing so she persuasively recasts Balthasar as an ecumenical creatively anti nostalgic theologian hospitable to the richness of contributions from extra magisterial and non Catholic sources

**The Possibility of Satan** Alan McGill, 2021-05-04 Can we know that Satan exists as a particular disembodied spirit Current Catholic teaching insists that Satan exists as a person a fallen angel who has instigated the Fall of humanity continues to influence humans today and constitutes a singular nemesis to God How one might ask could human beings know such a thing with certainty In response this book seeks to rescue the mythical language in which the doctrine of Satan is rooted so that it is freed from the unreasonable expectation that it affirms the existence of a particular creature and can instead express theological truth that is of relevance to all free willed creatures In doing so it addresses thorny questions concerning the interpretation of Scripture the relationship between God and evil between doctrine and truth between the Church and modernity and between the condemnatory impulses apparent in Christian thought and the doctrine of an omnipresent God of infinite mercy The book detects in the doctrine of Satan the expression of fundamental truths concerning the Creator creature relationship truths that are too easily obfuscated in current formulations that invite either fundamentalism or incredulity

**The Inner Kingdom** Kallistos (Bishop of Diokleia), 2000 This work is a revised and expanded version of a book that has appeared in several languages It focuses on themes central to Eastern Christian worship and spiritual life The first three chapters provide insights on death bereavement and resurrection in Christ and repentance Chapters four and five invite the reader into the world of desert ascetics and hesychast monks Combining scholarly rigor with practical counsels on prayer Bishop Ware makes the wealth of this traditional accessible to today's Christians The next three chapters concern personal vocation martyrdom spiritual fatherhood and the strange path of the fool for Christ's sake There follows brief essays on the theology of time and the spiritual purposes of higher education The final chapters is a challenging discussion of Origen and SS Gregory of Nyssa Isaac the Syrian and Silouan the Athonite and in conversation with them asks dare we hope for the salvation of all

**Hope and Community** Veli-Matti Karkkainen, 2017-10-23 The culmination of Karkkainen's multivolume magnum opus This fifth and final volume of Veli-Matti Karkkainen's ambitious five volume systematic theology develops a constructive Christian eschatology and ecclesiology in dialogue with the Christian tradition with contemporary theology in all its global and contextual diversity and with other major living faiths Judaism Islam Buddhism and Hinduism In Part One of the book Karkkainen discusses

eschatology in the contexts of world faiths and natural sciences including physical cosmological and neuroscientific theories In Part Two on ecclesiology he adopts a deeply ecumenical approach His proposal for greater Christian unity includes the various dimensions of the church's missional existence and a robust dialogical witness to other faith communities

*Principles of Catholic Theology* Thomas Joseph White, 2023 In the Nicene Creed Christians profess belief in the Church one holy catholic and apostolic The Church is also called the mystical body of Christ and the bride of Christ What is the Church and how can we understand her mystery in light of the mystery of Christ *Principles of Catholic Theology* Book 4 explores Catholic ecclesiology and the theology of the Virgin Mary as an exemplar of the Church's life It also considers the people of Israel in light of the Church and Christ The second half of the book considers human nature in light of the grace of Christ and ecclesial humanity so as to consider thematic and universal relations of grace to human nature Major controversies are addressed such as the natural desire to see God and the Thomistic understanding of election and predestination Effectively this volume seeks to receive and interpret the teaching of the Second Vatican Council Constitution on the Church *Lumen Gentium* within the Thomistic theological tradition and in light of that tradition *Principles of Catholic Theology* Book 4 is a continuation of Fr Thomas Joseph White's collection of essays extending over a range of fundamental topics in Catholic dogmatic theology

The Engaging Realm of E-book Books: A Detailed Guide Revealing the Advantages of Kindle Books: A Realm of Ease and Versatility E-book books, with their inherent mobility and simplicity of access, have liberated readers from the limitations of physical books. Gone are the days of carrying cumbersome novels or carefully searching for particular titles in bookstores. E-book devices, stylish and lightweight, effortlessly store an wide library of books, allowing readers to indulge in their preferred reads whenever, everywhere. Whether traveling on a busy train, relaxing on a sunny beach, or just cozying up in bed, E-book books provide an unparalleled level of convenience. A Reading Universe Unfolded: Discovering the Vast Array of Kindle What Dare We Hope What Dare We Hope What Dare We Hope What Dare We Hope The E-book Shop, a digital treasure trove of bookish gems, boasts an extensive collection of books spanning diverse genres, catering to every readers preference and choice. From captivating fiction and mind-stimulating non-fiction to timeless classics and modern bestsellers, the Kindle Store offers an exceptional variety of titles to explore. Whether looking for escape through engrossing tales of imagination and adventure, delving into the depths of historical narratives, or expanding ones knowledge with insightful works of scientific and philosophical, the E-book Store provides a gateway to a bookish world brimming with endless possibilities. A Game-changing Force in the Literary Scene: The Enduring Impact of Kindle Books What Dare We Hope What Dare We Hope The advent of E-book books has undoubtedly reshaped the bookish landscape, introducing a model shift in the way books are published, disseminated, and read. Traditional publication houses have embraced the digital revolution, adapting their approaches to accommodate the growing need for e-books. This has led to a rise in the availability of E-book titles, ensuring that readers have entry to a vast array of literary works at their fingers. Moreover, E-book books have democratized access to books, breaking down geographical limits and offering readers worldwide with similar opportunities to engage with the written word. Irrespective of their place or socioeconomic background, individuals can now immerse themselves in the captivating world of books, fostering a global community of readers. Conclusion: Embracing the E-book Experience What Dare We Hope What Dare We Hope Kindle books What Dare We Hope What Dare We Hope, with their inherent ease, versatility, and vast array of titles, have certainly transformed the way we encounter literature. They offer readers the liberty to explore the limitless realm of written expression, whenever, anywhere. As we continue to travel the ever-evolving digital landscape, Kindle books stand as testament to the lasting power of storytelling, ensuring that the joy of reading remains reachable to all.
