What Is Wrong With Bambi Haggins Face:

Birth of an Industry Nicholas Sammond, 2015-08-27 In *Birth of an Industry* Nicholas Sammond describes how popular early American cartoon characters were derived from blackface minstrelsy. He charts the industrialization of animation in the early twentieth century, its representation in the cartoons themselves, and how important blackface minstrels were to that performance, standing in for the frustrations of animation workers. Cherished cartoon characters such as Mickey Mouse and Felix the Cat were conceived and developed using blackface minstrelsy's visual and performative conventions; these characters are not like minstrels; they are minstrels. They play out the social, cultural, political, and racial anxieties and desires that link race to the laboring body just as live minstrel show performers did. Carefully examining how early animation helped to naturalize virulent racial formations, Sammond explores how cartoons used laughter and sentimentality to make those stereotypes seem not only less cruel but actually pleasurable. Although the visible links between cartoon characters and the minstrel stage faded long ago, Sammond shows how important those links are to thinking about animation then and now, and about how cartoons continue to help illuminate the central place of race in American cultural and social life.

Teaching Comedy Bev Hogue, 2023-08-03 From Shakespeare to *The Simpsons*, comedy has long provided both entertainment and social commentary. It may critique cultural values, undermine authority, satirize sacred beliefs, and make room for the marginalized to approach the center. Comedy can be challenging to teach, but in the classroom it can help students connect with one another, develop critical thinking skills, and engage with important issues. The essays in this volume address a rich variety of texts spanning film, television, stand-up, cartoons, and memes, as well as conventional literary works from different places and times. Contributors offer theoretical foundations and practical methods for a broad range of courses, including guidance on contextualizing the humor of historical works and on navigating the ways that comedy can both subvert and reinforce stereotypes. Finally, the volume argues for the value of comedy in difficult times as a way to create community and meaning. This volume contains discussion of fiction, poetry, plays, and essays by Maya Angelou, Jane Austen, Aphra Behn, Hugh Henry Brackenridge, Frances Burney, Charles W. Chesnutt, Roddy Doyle, Maria Edgeworth, Ben Jonson, Anita Loos, Emtithal Mahmoud, Thomas Middleton, Okot p. Bitek, William Shakespeare, Laurence Sterne, Jonathan Swift, Alma Villanueva, Paula Vogel, Oscar Wilde, John Wilmot, and William Wycherley. TV shows and films including *Crazy Ex Girlfriend*, *The Gold Rush*, *Life Is Beautiful*, *The Marvelous Mrs. Maisel*, *The Office*, *Office Space*, *Rick and Morty*, and *South Park* works, and stand-up performances by Aziz Ansari, Samantha Bee, Dave Chappelle, Louis C. K., Tina Fey, Mims Mabley, Hasan Minhaj, Eddie Murphy, Trevor Noah, Richard Pryor, Issa Rae, and Wanda Sykes, and visual works and other media including Aaron McGruder's *The Boondocks*, Bill Watterson's *Calvin and Hobbes*, Nick Sousanis's *Unflattening*, Marvel's *Hawkeye*, *The Onion*, YouTube videos, advertisements, and memes.

ReFocus: The Films of Michel Gondry Marcelline Block, 2020-09-21 In this book, a range of international scholars offers a comprehensive study of this significant and influential figure, covering his French and English language

films and videos and framing Gondry as a transnational auteur whose work provides insight into both French European and American cinematic and cultural identity *Studies in American Humor* ,2009
