What Ive Learned Thoughts From A Fire Chief:

What I've Learned... William C. Richmond, 2008-01-11 This book is a must read little gem for those now in organizational leadership or management positions or for those with aspirations to fill them It is particularly relevant for individuals in the emergency operations field or those in military type organizations Regardless of what discipline the reader may strive or practice in there is something for all within these pages The author draws from his own personal experiences as well as from those he has worked for or with in capturing the quotes offered here His twenty eight years in the Philadelphia Fire Department where he held progressively more responsible positions in both line and staff assignments provided the framework and proving grounds for this effort It is his hope that those who browse these pages will find an answer to a particular problem or problems perplexing them or at least a guideline to approaching a solution The book may be read straight through or absorbed and digested in much smaller bits and the reader is invited to take whatever he or she finds here of value to them and put it to whatever use they see fit

Thoughts on Fire Frank B. McCluskey, 2004 They can walk through fire They would sacrifice their own lives to save yours In the tradition of Zen and the Art of Motorcycle Maintenance Thoughts on Fire is a meditation on how to live a life that matters Drawing on his dual life as a philosophy professor and firefighter Dr Frank begins a journey not just into the fire but inside himself The lessons of this voyage are not just about axes and hoses but hope forgiveness and love As a professor and a firefighter Dr McCluskey shifts gears easily between the metaphysical and the macho pontificating in a pin striped suit by day and plunging into a smoky flaming house by night The New York Times It is a book that you will want to read again and again It is a remarkable story that you will want to share with those you love Dr Robert Schachat author of The Seven Conditions of Trust Thoughts on Fire is a book that is at once entertaining and enlightening Dr John Briggs author of The Seven Life Lessons of Chaos

Pass it On Billy Goldfeder, 2014-03-17 For his first book Chief Billy Goldfeder a 40 year fire service veteran solicited insights and pearls of wisdom from our country's greatest firefighters fire officers and emergency responders The stories that make up this unprecedented collection share many perspectives of the emergency service experience and offer invaluable often hard won lessons learned Every firefighter from probie to veteran can find something to take away from these factual real life first hand stories which offer a range of emotions from wit to heartache and basic common sense Features Introductions by Billy Goldfeder to each chapter Chapters written by a very diverse group of more than 80 well known fire service veterans Experiences of some of the best names in the fire service that most of us would not have the opportunity to learn from directly Chief Goldfeder is donating 100% of his royalties equally to the Chief Ray Downey Scholarship and the National Fallen Firefighters Foundation Every contributor fully supported the benevolent mission of this book

FIREFIGHTER'S Little Black Book: Your Pocket Guide To Safety Stan Tarnowski, 2018-01-10 Firefighters's Little Black Book is a compilation of descriptive behaviors that those who are currently serving in the fire service or have already served a career in the fire

service are quite familiar with in one way or another I wrote this quick and easy read to act as a daily reminder for everyone on the job as to what is expected of us on and off the job by our family co workers and ultimately our bosses and the citizens we are sworn to protect and serve just what will be tolerated by all of them It is to provoke knowing how critical it is to have our integrity ethics and morals in check means to our overall life s outcomes I share my personal failures with you all in an attempt to hopefully stop you in your tracks and not cross over those dangerous lines Lines that if you do cross could end your career and destroy your life Personalized Learning John H. A Company of Leaders Murphy J. Arsenaux III, 2018-01-26 How important is competent leadership It could mean the difference between life and death A Company of Leaders Leading at Every Level by Murphy J Arsenaux III presents problems that arise from lack of leadership in the fire service while offering multiple solutions to these problems

From Buddy to Boss, 2nd Ed Chase Sargent, 2018-04-13 Professional development and leadership with you in mind A good friend once said about Chase Sargent that he's a very intelligent man but he sure does tick people off sometimes Sargent doesn't disagree He may have made some people mad but he wishes he had done it more often to get this point across Leadership in all aspects of life is sorely lacking The second edition of *From Buddy to Boss Effective Fire Service Leadership* reinforces the fact that the fire service is screaming for leaders as men and women discover that leadership is important to their existence and success Being a firefighter can be tiring and frustrating but it can be rewarding It's not only about the job but also about raising kids managing your life and trying to be a good person attached to God country family and friends says the author Many leaders today are surrounded by external politics hidden agendas fiscal constraints and manipulative people Consider these factors when navigating your career Sargent knows from decades of experience that simply reaching the top of the organizational ladder does not make you a good leader Before he went into teaching this subject It became apparent very quickly that the leadership and human resources training being provided was as scarce as water in a desert and that the service was thirsty This new second edition includes must read topics on leadership lessons from the War in Iraq knowing death in the fire service and providing leadership in large scale disasters This book will change your life

Talking to Writers Dean Nelson, 2025-11-13 Am I a writer Where should I get ideas Is my writing any good How did my favorite authors make it big The act of writing is a daunting task for many people and becoming a writer means so much more than putting pen to paper Dean Nelson embraces the questions that plague writers by turning to some of the best known authors of our time With encouragement advice and refreshing honesty writers discuss their own beginnings struggles and victories in a manner that will make readers say I can do that In *Talking to Writers The Craft of Nonfiction* readers will hear from Anne Lamott about what she means by writing to heal herself from David Brooks about what it takes to craft an informed opinion from Tracy Kidder about the need for revision and from Elizabeth Gilbert about being humble Among the many other featured writers are Jeannette Walls Cornel West Nick Hornby George Plimpton Susan Orlean and more Bringing together interviews from 30 years of the annual Writer's Symposium by the Sea Nelson reveals writers motives connects the dots to their past and acknowledges their struggles Often beginning with I've never said this publicly before these treasured authors

revelations give aspiring writers of every level the courage and support necessary to live the writing life
