A New Apostolic Reformation? R. Douglass Geivett, Holly Pivec, 2018-07-25 This critique provides a framework for understanding and interpreting the widespread but little known New Apostolic Reformation movement As the authors state in the preface We write this book with two major goals in mind First to give people an idea of the sheer size and reach of the NAR movement And second to systematize its key teachings and practices and evaluate them on the basis of Scripture and careful reasoning In our judgment the NAR perspective crosses these boundaries that is certain broad parameters revealed in Scripture and practiced in the historical orthodox church and it does so in part because of flawed theology rooted in a flawed understanding of Scripture

Paul's Last Letter Mark Sweetnam, 2024-05-30 The Second Epistle to Timothy is by any standard a remarkable document Even as the apostle urges his friend and coworker hasten to Rome for a final meeting the intimacy and urgency of Paul's words make clear his awareness that Timothy might not arrive in time to say goodbye This makes the epistle deeply personal But Paul has a much larger purpose in view than just Timothy's consolation The epistle vibrates with Paul's concern for Timothy's endurance in the apostle's mission after Paul's death Paul is at pains to emphasize for Timothy

the seriousness of his responsibility the difficulty of the context in which that duty will be discharged and the divine assistance that will allow him to preserve and transmit the apostolic deposit to faithful men Even as he addresses Timothy Paul is deliberately speaking beyond him to everyone who remains faithful to the apostolic gospel in the last days following the apostle's departure This commentary provides a detailed but nontechnical treatment of 2 Timothy which interacts with contemporary scholarship on the epistle while providing a literary rhetorical and parenetic analysis of Paul's last letter

Constant Leke Ngolefac, 2024-03-01 Charism is a hot contemporary issue The growing interest in the charisms is one of the significant religious developments of our time Opinions on charisms vary to a remarkable degree Unfortunately in some cases diverse viewpoints have led to confusion among Christians On the positive side though this developing interest in charisms has contributed to spiritual renewal and stimulated biblical research in this most important area of the Church's life The exponential growth of the Charismatic Pentecostal Movement throughout the world and especially in Africa urged led to choice of this topic on charisms In the Charismatic Pentecostal Movements the issue of charisms is very vital and extremely important It is at the centre of its spirituality and practice This Movement has spread to almost all major Christian confessions denominations and continues to attract many followers This work is unique among the many studies written on the charisms Even though the subject of charisms has received some scholarly attention most have not delved into the role of the charisms in the Church from Pauline perspective as this study does The following observations and reasons demonstrate that it is still meaningful and worthwhile to study charisms in Pauline letters **The Holy Spirit** Gregg Allison, Andreas J.
