The Civil War in America, 1861

The Causes of the Civil War Kenneth Milton Stampp, 1965 The causes of the Civil War brings into sharp focus the major issues real or imagined that divided northerners and southerners in a disastrous national crisis Juxtaposing articles and speeches by men who lived through the struggle with the interpretations of post Civil War historians Kenneth M Stampp brings face to face spokesmen for the major schools of thought Was slavery the determining cause Can the blame be laid either to Black Republican agitation or to the ruthless machinations of a Slave Power conspiracy Was the war an irrepressible conflict between an agrarian South and an industrialized North This volume provides no answers Rather the readings including several new selections reveal the uncertainty about the war s causes that has repeatedly driven historians back to the sources They help us to enlarge our knowledge and deepen our understanding of the differences that set brother against brother Page 4 of cover

CAUSES OF THE CIVIL WAR IN AMERICA JOHN LOTHROP. MOTLEY, 2018

Causes of the Civil War Philip Leigh, 2020-09-26 THE PRESENTLY DOMINANT NARRATIVE about Civil War causes is the work of historians obsessed with social activism instead o historical facts They point to the 13th 14th and 15th postbellum amendments as proof that the North was fighting to provide slaves with an honorable freedom but deny that the increase in tariffs from 19% before the war before to an average

of 45% for fifty years thereafter reflected a Northern war aim. They hold Southern secession responsible for the war but fail to teach that the Northeastern states threatened to secede five times between 1789 and 1850. They also decline to note that Southern secession need not have led to war. Southerners had no purpose to overthrow the Washington government; they merely wanted a government of their own. Northerners could have evacuated Fort Sumter and let the first seven cotton states depart in peace, thereby avoiding the war. Modern historians normally focus on the reasons the cotton states seceded instead of examining the economic reasons Northerners chose to militarily coerce them back into the Union, thereby inaugurating civil war. The Republican Party could have stopped the spread of slavery peacefully by endorsing Popular Sovereignty during the 1860 presidential election. After Kansas used it to reject slavery in an 1858 local option vote, nearly every politician realized that the doctrine would quarantine slavery in the South. If Popular Sovereignty could not make a slave state out of Kansas, it could not do it in any of the remaining 1860 Federal territories. Republicans rejected the doctrine simply to survive as an independent Party because Lincoln's two chief opposing presidential candidates supported it. Beyond what Popular Sovereignty would have gained the Republican Party added nothing except to inflame the sectional passions that led to civil war. Philip Leigh does not hesitate to challenge what Voltaire called 'The propaganda of the victorious.' This work is not to be missed by any who are interested in the truth. H. V. Traywick, Author, *Empire of the Owls and Virginia Iliad*. Philip Leigh's new book gives readers hard historical economic facts showing that the causes of the American Civil War date back decades and were multi-layered. Read this book if you want a full understanding of what the war was really about. Clint Johnson, Author, *Tin Cans and Greyhounds* and *The Politically Incorrect Guide to the South*. For two generations, mainline historians have taught that Southerners committed treason by seceding and virtuous Northerners invaded the South to abolish slavery. For many of America's elite, this so-called truth has enabled them to support or stand silent as Confederate memorials are vandalized or removed. Phil Leigh's new book shows that the thesis is simply untrue. Don Livingston, Ph.D., Author, *Hume's Philosophy of Common Life and Philosophical Melancholy and Delirium*, *Hume's Pathology of Philosophy*. *Causes of the Civil War* Jason W. Stevens, David Tucker, 2019-07. [Causes of the Civil War in the United States](#) James Paul Cobbett, 1861. **Causes of the Civil War** Jennifer L. Rowan, 2019. The institution of slavery shaped the economic, social, and political history of the United States. Tensions between supporters and opponents of slavery simmered for decades with ever-increasing intensity before boiling over into a devastating four-year civil war. This book examines the series of compromises aimed at diffusing sectional conflict during the first half of the nineteenth century, the development of political strategies, the outbreak of armed hostilities, and the eventual secession of eleven Southern states in a bid to perpetuate the institution of slavery. *Historic Papers on the Causes of the Civil War* Eugenia Dunlap Potts, 2012-08-01. Eugenia Dunlap Potts, 2005-01-01 No pen or brush can picture life in the old Southern States in the ante bellum days The period comprehends two hundred and fifty years of history without a parallel A separate and distinct civilization was there represented the like of which can never be reproduced Socially intellectually politically and religiously she stood pre eminent among nations It was the spirit of the cavalier that created and sustained our greatness Give the Puritan his due and still the fact remains The impetus that led to freedom from Great Britain came from the South A Southern General led the ragged Continentals on to victory Southern jurists and Southern statesmanship guided the councils of wisdom The genius of war pervaded her people She gave presidents cabinet officers commanders tacticians and strategists Her legislation extended the country s territory from the Atlantic to the Pacific A writer aptly says For more than fifty formative years of our history the Old South was the dominating power in the nation as it had been in the foundation of the colonies out of which came the Republic and later in fighting its battles of independence and in forming its policies of government Whatever of strength or symmetry the republic had acquired at home or reputation it had achieved abroad in those earlier crucial days of its history was largely due to the patriotism and ability of Southern statesmanship Why that scepter of leadership has passed from its keeping or why the New South is no longer at the front of national leadership is a question that might well give pause to one who recalls the brave days when the Old South sat at the head of the table and directed the affairs of the nation
