Biblical Discipleship: Essential Components for Attaining Spiritual Maturity Dr. Todd M. Fink, 2017-04-17 Today we have many ways of defining success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature How do we become spiritually mature There's only one way and it's called discipleship However statistics show that discipleship is in a state of crisis today Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity A Barna study reveals that almost nine out of ten senior pastors of Protestant churches assert that spiritual immaturity is one of the most serious issues facing the church Sadly what discipleship meant in the time of Christ and what it means today is vastly different Moreover the importance Christ and the Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it Unlike the disciples who had much of Scripture memorized a whopping 81% of Christians today don't read their Bibles regularly Unlike Christ's disciples who were Fishers of Men 61% of believers today have not shared their faith in the past six months And sadly unlike Christ and the Apostles who made discipleship the central focus of their ministries 81% of pastors today have no regular discipleship programs in their churches Discipleship is being neglected today and the consequences are crippling many Christians and churches This book hopes to change that Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it's in crisis mode Chapter 2 reveals 13 key factors contributing to the lack of discipleship today Chapter 3 defines biblical discipleship based on central phrases Christ used in His ministry Chapter 4 brings to light 14 essential components of the discipleship making process that must be understood and practiced in order to attain spiritual maturity Chapter 5 provides practical how to help for growing in Christ It includes self assessment tests for measuring your level of spiritual maturity in each essential component of discipleship and gives hands on useful ideas for taking steps toward spiritual maturity Discipleship is a command for all believers and is our highest calling This book

provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ It s both an informative book and a how to book It deals with the barriers that are hindering discipleship and offers practical help for overcoming these barriers and attaining spiritual maturity So are you ready to grow Would you like to be pleasing to God Would you like to fulfill the reason for which you ve been created Would you like the full blessings of God in your life Would you like to become spiritually mature Would you like to hear Christ s words Well done good and faithful servant when you arrive in heaven If so this book is for you *The Baptist* ,1920 **Spiritual Thoughts on Material Things** E. Jones,2017-02-16 In the morning while it was still very dark he got up and went out to a deserted place and there he prayed Mark 1 35 Jesus taught by his words and actions He went by himself to pray when he was tired when faced with upcoming trying events or when he just wanted to be alone in the presence of his Lord He gave us guidance about what to pray how to pray and why to pray and was very familiar with the Hebrew Scriptures Thus if we want to become Jesus disciple we should follow his model and invest time and emotional energy into prayer Bible study and reflection Nourishment For The Spiritual Pilgrimage provides an aid for those who want to participate in the spiritual pilgrimage of becoming a lifelong disciple of Jesus Christ It offers insight and support for those who daily want to turn their hearts souls and minds to God s will in their lives as they strive to help in bringing about God s kingdom in this present time There are countless other devotionals but hopefully this can offer something that many of the others may not a specific focus on the concept of discipleship *Spiritual Entrepreneurship*: Bill Harrison,Mary Harrison,2018-04-23 Having enjoyed succesful careers in

three different industries manufacturing construction and commercial real estate I have learned my talents skills experience and God given gifts can be applied in different ways in many diverse situations All that was required was willingness to go wherever God led me and to do whatever he asked me to do In the process of doing I learned God had a plan for my life which was more challenging than my own plan but also far more exciting and rewarding My wife Mary s experience has been similar to mine as she was afforded opportunities to go places and do things which have gone far beyond what she expected for herself Based on our life experiences as a married couple with dual professional careers my wife and I developed the concept we call spiritual entrepreneurship The challenges we faced in fulfilling the requirements of two separate careers without neglecting our family obligations led us to the principles and practices of this concept Feel free to visit our website at www.spiritualentrepreneurship.com
