Parents and Families of Students With

Special Needs Vicki A. McGinley, Melina Alexander, SAGE Publications, Inc., 2017-01-05 Parents and Families of Students With Special Needs Collaborating Across the Age Span teaches students the skills they need to effectively collaborate with parents and families to ensure a child's success in the classroom. The text takes a lifespan approach with a special emphasis on the critical transition points in a child's life. Information is provided on what can be seen at each stage of an individual with disabilities' development and addresses the concerns and needs that families may have during these unique phases of growth. The authors provide an in-depth discussion of how parents and families are affected by particular disabilities, family system theory, the laws that affect individuals with disabilities, and assessments for individuals with disabilities. Chapters written by academics and professionals who are also parents of students with special needs bring a diverse range of voices into the narrative.

A Teacher's Guide to Special Education David F. Bateman, Jenifer L. Cline, 2016-06-27 Despite the prevalence of students with disabilities in the general education classroom, few teachers receive training on how to meet these students' needs or how to navigate. Despite the prevalence of students with disabilities in the general education classroom, few teachers receive training on how to meet these students' needs or how to navigate the legally mandated processes enumerated in the Individuals with Disabilities Education Act (IDEA). What is their role? What are their responsibilities? What are the roles and rights of parents? And what must all teachers do to ensure that students with disabilities and other special needs receive the quality education they're entitled to? In this practical reference, David F. Bateman, bestselling author of *A Principal's Guide to Special Education*, and special education administrator Jenifer L. Cline clarify what general education teachers need to know about special education law and processes and provide a guide to instructional best practices for the inclusive classroom. Topics covered include: The pre-referral, referral, and evaluation processes; Individualized education programs (IEPs) and the parties involved; Accommodations for students who do not qualify for special education, including those covered by Section 504; Transition from pre-K to K-12 and from high school to post-school life; Classroom management and student behavior; Educational frameworks, instructional strategies, and service delivery options; Assessment, grades, graduation, and diplomas. The breadth of coverage in this book, along with its practical examples, action steps, and appendixes covering key terms and definitions, will provide the foundation all K-12 teachers need to successfully instruct and support students receiving special education services. It's an indispensable resource for every general education classroom.
