What God Has Joined Together H. Lynn Stone, Mary Ruth Stone, 2015 What God Has Joined Together Robert H. Vasoli, 1998-04-16 The recent controversy over Joe Kennedy's annulment gave only a glimpse of American Catholicism's open secret that contrary to official Catholic doctrine American churches grant annulments wholesale freely declaring marriages nonexistent so that one or both partners can remarry in the church The United States is home to only 6% of the world's Catholics Robert Vasoli points out but it now accounts for 75% of all Church annulments two thirds of which are granted on ostensibly psychological grounds The real scandal though is not simply the numbers but that Church marriage courts annul thousands of marriages that are actually valid according to Catholic teaching Drawing on considerable research the author details precisely how these courts let divorced Catholics and many non Catholics as well bypass Catholic teaching and law He shows for instance how they often help petitioners manufacture grounds for annulment which are justified with specious psychological reasoning that are counter to the letter and spirit of canon law Indeed it may even be alleged that lack of emotional maturity at the time of the wedding can invalidate marriages that have lasted 30 years The result has been a tidal wave in 1968 the American church granted fewer than 600 annulments today it hands out more than 60 000 a year But Rome has not smiled on the performance of U S tribunals of those psychological annulments appealed to the Roman Rota the Vatican's highest marriage tribunal more than 90% are overturned This revealing look at annulment weaves painstaking analysis with a wealth of evidence as it illuminates the degree to which the U S Church has gone its own way since Vatican II on what constitutes valid marriage The Spiritual Minded Family Barry Cunningham, 2016-05-26 The family is the bedrock of society We are living in days when families more than ever need to be strong and stable It begins with husbands and wives following the best marriage and parenting manual ever the Bible The key to being a strong family is spiritual mindedness which leads to a successful marriage and effective parenting The Spiritual Minded Family presents key biblical principles that when practiced can make you the best husband wife and parent its possible for you to be **Straight Talk: Biblical Christianity V. Religion** Roy Standifer, 2013-06-12 A look at the Creators answers regarding who we are our origin and what life is all about God has revealed Himself extensively and His revelations are straightforward but we have distorted and clouded them with religion He has paid the full price Himself for our violations of His holiness so our failure to respond in faith constitutes rejection and has the consequence of eternal separation from Him The main reason you havent responded is that you havent taken the time to look you have simply been going along with the crowd Shouldnt you at least take the time to look and see where that crowd is taking you After looking reject as you wish just dont reject without looking thats foolish The Reader's Digest, 1923 *Return to the Wife of Your Youth* Walter W. Fox Jr., 2015-10-30 This book is a personal testimony that reveals Gods plan to restore all things to Himself as stated in the first chapter of Ephesians that is the summing up of all things in Christ things in the heavens and things upon the earth The reconciliation of our marriage
