THE FUNDAMENTALS OF THE CHRISTIAN FAITH Edward D. Andrews, Reuben Archer Torrey, 2022-01-23 Biblical criticism originally known as Higher criticism of the Bible got started throughout the 18th and 19th centuries At that time Protestant scholars attacked the Bible an intellectual academic attack They devised a method of studying the Bible that became known as higher criticism and now biblical criticism These Bible critics taught that most of the Bible contained legend and myth Some even claimed that Jesus never existed For the liberal moderate Bible scholar then and now the Word of God the Bible has become the word of man and a very chaotic distorted word at that The modern day liberal moderate Bible scholar says that much of the Bible is just wrong This thinking is the result of biblical criticism Biblical higher criticism is conjectural and uncertain doubtful in the extreme Today these Bible scholars who make up most of our seminaries explain the Bible accounts of miracles as myths legends or folk tales They do not even entertain the idea that there is the possibility that they actually occurred This viewpoint is subjective and gives no reliable reason to reject the Bible as inspired fully inerrant authentic and trustworthy Biblical criticism is highly defective and its centuries long assault on the Bible has not proven that the Bible is not the Word

of God Many conservative Christians have been doing their best to defend God s Word Herein THE FUNDAMENTALS OF THE CHRISTIAN FAITH puts Biblical Criticism on trial judging their claims as subjective based on or influenced by personal feelings or opinions not objective factual actual real empirical verifiable in biblical studies **What Is Evangelism?** George W. Robertson,2013 Robertson shows how God gives different opportunities and ways to spread the good news creatively and effectively He unpacks five different approaches to evangelism testimonial invitational intentional compassionate and intellectual explaining their biblical precedent and practical implications page 4 of cover Toolbox for Evangelism Brady Cook,2017-05-22 Go therefore and make disciples of all the nations baptizing them in the name of the Father and the Son and the Holy Spirit teaching them to observe all that I commanded you and lo I am with you always even to the end of the age Matthew 28 19 20 With these final words Jesus sent His disciples into a dark and unforgiving world to bring the Gospel to the nations But how exactly were they supposed to do that People then are largely the same as they are now obstinate worldly and concerned primarily with the temporal But within every single person we meet lies an opportunity to bring light into their soul by preaching to them the only Truth that matters and teaching them about the gift of eternal life Do you believe that Do you believe that every person is capable of belief in Christ and that you can be an instrument to that end Maybe you re skeptical because of the times you ve been burned in the past preaching to a person who constantly refuses to listen Or maybe you re just shy and are worried about what evangelism will mean for your relationships Regardless this book is for you This book will be your toolbox for evangelism and inside are the tools necessary to change your mindset towards success while also bracing yourself for the reality of what you will face Are you ready to change the world **Adventure of Faith** Michael Green,2023-09-28 Michael Green shares his story of faith and ministry and offers insight into the church s present challenges and future hope Michael Green invites us to join him on a journey through a lifetime in Christian ministry From his conversion to the present day he recounts times of fruitfulness and failure and points to those people and ideas that have shaped and inspired him Alongside relating his experiences Green also reflects on crucial issues in today s church and world Ultimately he sets forth a vision of hope for the future of the worldwide community of God Evangelical Christians will find Green s life work and ideas inspiring in their own journeys of faith and ministry The Gospel and Personal Evangelism (Foreword by C. J. Mahaney) Mark Dever,2007-09-07 Evangelism is not only misunderstood it is often unpracticed Many Christians want to share the gospel with others but because those Christians don t grasp the fundamentals of witnessing they feel intimidated and incapable of sharing the truth of the gospel Yet those believers fail to recognize that God has already established who and how we are to evangelize In The Gospel and Personal Evangelism Dr Mark Dever seeks to answer the four basic questions about evangelism that many Christians ask Who should we evangelize How should we evangelize What is evangelism Why should we evangelize In his answers Dever draws on New Testament truths and helps believers apply those truths in practical ways As readers understand the fundamentals of evangelism they will begin to develop a culture of

evangelism in their lives and their local churches

Reaching Generation Next Lewis A. Drummond, 2002-10-01 Evangelism is at the core of Christianity It is a life and death matter both for the salvation of individuals and for the continuing growth of the church Although the message of the gospel never changes its means of communication must be continually modified to reflect the thought patterns and worldview of our changing culture *Reaching Generation Next* is the perfect guide on how to effectively proclaim the gospel in today's postmodern culture Both theological and practical it provides Christian leaders and laypeople with a basic understanding of the essential aspects of evangelism and with foundational guidelines on how to evangelize Veteran evangelist Lewis Drummond helps Christians understand how and why today's generation thinks the way it does and offers in capsule form sensible answers and convincing reasons for faith While providing a basic theology of evangelism and stressing the important role of leadership the book's primary theme is that every believer must become an evangelist *Reaching Generation Next* is a great resource for evangelism training classes Each chapter concludes with

discussion questions Also included are sections on spiritual awakening movements evangelizing the disabled and surveys for churches and individuals **Make Disciples!** Terry A. Bowland,1999 Let us make no mistake about it Evangelism is not simply learning Bible facts Evangelism is not simply understanding sociological information Evangelism is taking part in God s great work of redeeming the world through Christ It is to reach out and allow God s power and presence to extend into the lives of people through our daily lives When we increasingly become aware of God working within us the result will be joy joy in our daily tasks and joy in the lives we touch Wherever God s will is done the ultimate result for us will be joy

Brewer,2021-09-21 Interreligious dialogue that strives for both hospitality and honest discussion of difference Is it possible to have both Is it possible for religious traditions to engage one another in a spirit of humility while also working together toward mutual descriptions of God and the world This is the goal of this book to find points at which each of the religious traditions are vulnerable and open enough to listen to each other and to help each other toward a shared description of reality If you share these concerns concerns for interfaith dialogue as well as for deeply held notions of conviction and truth then the invitation is open for mutual constructive engagement *Seeking Understanding Faith* Fritz E.
