What Is Privity Of Contract

Sir William Searle Holdsworth

What Is Privity Of Contract:

Privity of Contract M. P. Furmston, Greg Tolhurst, 2015 This book based on English law of contract considers the development and present state of the doctrine of Privity of Contract with clear references to cases in other major common law jurisdictions Australia Canada New Zealand and Singapore The work opens with a history of development of the privity rule and its place in English up to the enactment of the Contract Right of third parties Act 1999 The books considers common law and statutory exceptions in detail as well as major statutory exceptions from other jurisdictions There is also consideration of the operation of the rule with regard to exemption clauses and attempts to impose liabilities and burden on non parties A large section of the book considers the rights of a promisee where the loss suffered by reason of a breach of contract has been incurred by a third party The final chapters consider the position under the Contract Right of third parties Act 1999 and look at the international position considering work undertaken by UNIDROIT This book fills a gap for a more thorough examination of the law of privity and is written by two well known and experienced authors on contract law

The Paths to Privity Vernon V. Palmer, 2006 Palmer s fascinating study analyzes the ingrained tendency to prevent third party beneficiary actions through a historical account of privity of contract Chapter I discusses the origins and historical questions surrounding the issue of privity Chapter II covers the triumph of consideration in the formative period 1500 1680 Chapter III outlines the expansion in the chancery phase 1680 1800 and Chapter IV deals with the rise of the parties only principle at law and equity during the 1800s

Principles of the Law of Contract Sir William Reynell Anson, 1919

Privity Peter Kincaid, 2001 Privity is an extensive analysis of the theoretical issues raised by the question of third party rights in contract More than just an examination of the practical problems of the Privity rule itself it questions whether contract is to be seen as a matter of public regulation or private justice
