What Jesus Meant By Wills Garry 2007 Paperback:

What Jesus Meant Garry Wills, 2006-03-02 Garry Wills brings his signature brand of erudite unorthodox thinking to his latest book of revelations A tour de force and a profound show of faith O the Oprah Magazine Look out for a new book from Garry Wills What The Qur'an Meant coming fall 2017 In what are billed culture wars people on the political right and the political left cite Jesus as endorsing their views But in this New York Times bestselling masterpiece Garry Wills argues that Jesus subscribed to no political program He was far more radical than that In a fresh reading of the gospels Wills explores the meaning of the reign of heaven Jesus not only promised for the future but brought with him into this life It is only by dodges and evasions that people misrepresent what Jesus plainly had to say against power the wealthy and religion itself But Wills is just as critical of those who would make Jesus a mere ethical teacher ignoring or playing down his divinity An illuminating analysis for believers and nonbelievers alike What Jesus Meant is a brilliant addition to our national conversation on religion

Fundamentalism in American Religion and Law David A. J. Richards, 2010-03-15 Why from Reagan to George Bush have fundamentalists in religion and in law originalists exercised such political power and influence in the United States Why has the Republican Party forged an ideology of judicial appointments originalism hostile to abortion and gay rights Why and how did Barack Obama distinguish himself among Democratic candidates not only by his opposition to the Iraq war but by his opposition to originalism This book argues that fundamentalism in both religion and law threatens democratic values and draws its appeal from a patriarchal psychology still alive in our personal and political lives and at threat from the constitutional developments since the 1960s The argument analyzes this psychology based on traumatic loss in intimate life and resistance to it based on the love of equals Obama's resistance to originalism arises from his developmental history as a democratic as opposed to patriarchal man who resists the patriarchal demands on men and women that originalism enforces in particular the patriarchal love laws that tell people who and how and how much they may love

The "Man Christ Jesus" Stephen Oliver Stout, 2011-06-17 Does the Apostle Paul have any use for the person of Jesus presented in the Gospels Critical scholarship thinks not but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons in full agreement with the Gospel accounts Stout examines Paul's intriguing description of the Man Christ Jesus 1 Tim 2:5 and suggests that this title fulfills the OT expectation of God appearing in human history as a man In his incarnated humanity the Man Christ Jesus

accomplished salvation in the historical events of his life and death and in his resurrected humanity he appeared to Paul on the Damascus Road rooting Paul's Christology deeply in human experience Furthermore Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine that the entire church is associated with the historical events of the life death and resurrection of Jesus an association which also unites his church with one another in fellowship and service This book then demonstrates that Paul's gospel rests upon Jesus as a man of history who brings salvation into human history in his life death and exaltation as the Man Christ Jesus The Bible's Greatest Hits Henry G. Brinton, 2021-07-09 From the creation story of Genesis to the new heaven and new earth of Revelation The Bible's Greatest Hits contains the top sixty six passages in Holy Scripture Presbyterian pastor and novelist Henry G Brinton invites readers into discussion and debate as he reveals the significance of these passages and connects them to contemporary life Some readers will disagree with Brinton's selections just as music fans dispute the choices on a greatest hits album but all will gain a new appreciation for the richness of scriptural insights found in the full range of biblical books from the well known to the obscure Written for both private devotion and group discussion The Bible's Greatest Hits includes the best in biblical scholarship as well as practical connections to daily life along with questions for reflection at the end of each chapter The book gives Christian youths and adults an introduction to the major characters and stories of Holy Scripture as it links their daily lives to the Bible's most important moral and theological insights Readers will gain the satisfaction of increased biblical literacy while being shaped by the most transformative passages from Genesis to Revelation in the course of their ongoing faith development *Talking Book Topics*, 2010-07 **Context**, 2006 First Things, 2007 **The Word and Its Witness** Gregory S.
