Hope For Healing Church Wounds Dr. Michael Gray, 2019-05-07 Statistics from George Barna Research Group reveal that twenty five to thirty million adults stay away from the Christian church because of hurtful treatment experienced at the hands of the body of Christ Having gone through several church hurts himself the author has written this book to be a practice guide on how to be restored renewed and healed from church inflicted wounds so that one's relationship to God is joyous and fruitful From his own experience and documented research through surveys to pastor's church members and non church goers the author provides a training manual that churches and church leaders can use to reach and restore church members to a healthy relationship with God and His church We all want the church to be a place where we can go to worship God with freedom and joy We all want to be encouraged to grow in our faith and walk with Christ We all want a place where we find joy in serving others a place of safety and unconditional love No one wants to be part of a church that acts like the world treating people with judgment condemnation lack of compassion and love Church wounds happen but God is a restorer of the broken hearted God is the great healer of our pain and disappointment The author believes that if one takes the steps outlined in the book there will be renewal and restoration If churches reach out to those who have been wounded in the way outlined in this book many will come back into fellowship

Or are things between you and your mate too tidy or perfect but you're wondering what happened to the adventure, the passion and those feelings of your first dates? If distance, distrust and despair define your marriage and you just hurt too much to see any hope, read *Hope after Hurt* before you do anything else. Roxanne and Rob Maroney have seen it all after leading intensive four day marriage workshops every month for nearly ten years, teaching coaching and counseling couples looking for hope before giving up on their marriages. But that's only a small part of their story. In *Hope after Hurt* Roxanne and Rob reveal not only how their marriage was rescued from becoming another casualty in the rising divorce rate but how they were set on the path to create something entirely new. They offer a transparent telling of how their early histories unknowingly haunted their marriage and their choices and how they dramatically changed their destructive path. They open up about secrecy, lies, broken trust, loss of connection and damaged intimacy. This is not just a story of two flawed people and their need for repair but also an honest account of more than forty years of healing using practical tools for greater connection and intimacy in marriage. *Hope after Hurt* offers hurting couples real life examples and a roadmap to healthier relationships. **Hope After Betrayal** Meg Wilson, 2018-07-31 Meg is a lantern guiding women through the twists and turns along this pain filled path. Lynn Marie Cherry, speaker and author of *Keep Walking 40 Days to Hope and Freedom After Betrayal*. Meg Wilson watched her world fall apart when her husband confessed to years of sexual addiction. She has intimate knowledge of the devastation that follows and she has come through the other side. In her groundbreaking *Hope After Betrayal* Meg provides reassuring counsel, compassionate insight and wise direction. By sharing her story, talking to other women who've been in a similar situation and turning to Scripture, Wilson has helped countless readers through the steps to recovery and shows how you can follow that same path out of the darkness. This newly revised and expanded edition includes new lessons Meg has learned over the last decade. A compelling final chapter by Meg's husband sheds further light on the difficult road to healing from sexual addiction and a thoughtful new appendix addresses the effect sexual addiction has on children in the home. *Hope After Betrayal* is a strong and sure lifeline that thousands of
