Charlotte Perkins Gilman's The Yellow Wall-paper Charlotte Perkins Gilman, 2004 This sourcebook combines extracts from contemporary documents and critical reviews providing an introduction a publishing and critical history a chronology of key events a guide to further reading and original pictures *The Yellow Wall Paper* Charlotte Perkins Gilman, 1899 **The Yellow Wallpaper** Charlotte Perkins Gilman, 2017-01-01 Doctor s orders confine a woman suffering from anxiety and depression to her bedroom in an effort to prevent mental stimulation of any sort Despite her forced rest cure she continues to write in her journal when her husband isn t looking Her entries record her terrible and growing fascination with the hideous yellow wallpaper that dominates the room documenting her slow descent into madness This work by American author Charlotte Perkins Gilman was based on the author s own experiences She knew firsthand that the nineteenth century medical establishment often had dangerously misguided ideas about women s mental and physical health It is considered to be a seminal feminist work by some a prime example of Gothic horror by others First published in 1892 this is an unabridged version of Gilman s controversial short story **The Yellow Wallpaper: (Annotated)** Charlotte Perkins Gilman, 2019-03-19 The Yellow Wallpaper is a 6 000 word short story by American writer Charlotte Perkins Gilman first published in January 1892 in New England Magazine It is regarded as an important early work of American feminist literature illustrating attitudes in the 19th century toward women s physical and mental health The story is written in the first person as a series of journal entries The narrator is a woman whose husband a physician has confined her to the upstairs bedroom of a house he has rented for the summer She is forbidden from working and has to hide her journal entries from him so that she can recuperate from what he has diagnosed as a temporary nervous depression a slight hysterical tendency a diagnosis common to women in that period The windows of the room are barred and there is a gate across the top of the stairs allowing her husband to control her access to the rest of the house The story illustrates the effect of confinement on the narrator s mental health and her descent into psychosis With nothing to stimulate her she becomes obsessed by the pattern and color of the room s wallpaper [The Yellow Wallpaper and Herland](#) Charlotte Perkins Gilman, 2024-08-22 The Yellow Wallpaper and Herland written by prominent feminist author Charlotte Perkins Stetson Gilman offers a thought provoking and compelling exploration of gender roles mental health and societal expectations in the late 19th and early 20th century Both texts although written nearly a decade apart share a common theme of challenging traditional gender norms and advocating for female empowerment In The Yellow Wallpaper Gilman tells the story of a woman s descent into madness as she is confined to a room with yellow wallpaper by her controlling husband who is also her physician Through the protagonist s increasingly erratic thoughts and behaviors the author highlights the damaging effects of the oppressive patriarchal society on women s mental health Gilman also critiques the medical profession s treatment of women particularly highlighting the lack of agency and autonomy female patients were given in their own care Herland on the other hand

presents a utopian society where women live in isolation and have evolved to reproduce through parthenogenesis rendering men unnecessary The story follows three male explorers who stumble upon this all female society and are forced to confront their own preconceived notions of gender roles and superiority Through this fictional society Gilman challenges traditional gender roles and suggests that women are capable of thriving without men challenging the male dominated societal structure of the time Gilman s writing in both books is characterized by her strong feminist beliefs and her ability to use fiction to present thought provoking social commentary She challenges the idea of women s inherent inferiority and advocates for their rights to autonomy education and independence Her writing also sheds light on the damaging effects of patriarchal norms and expectations on women s mental health a topic that was often ignored or dismissed in her time The Yellow Wallpaper and Herland remain relevant and powerful texts in today s society shedding light on the ongoing struggle for gender equality and the importance of empowering women They continue to inspire feminist discourse and serve as a reminder of the progress that still needs to be made in achieving true gender equality Overall this collection of books is a must read for anyone interested in feminist literature and the societal implications of gender roles In this collection of stories Dostoevsky showcases his remarkable ability to delve into the depths of the human experience Through his rich character development unflinching social commentary and nuanced exploration of themes such as love isolation and the inherent contradictions within humanity the author masterfully captures the essence of what it means to be human These seven short stories are a testament to Dostoevsky s timeless brilliance and continue to enthrall readers with their piercing insights into the human condition

The Yellow Wallpaper Charlotte Perkins Gilman,2019-12-22 The Yellow Wallpaper by Charlotte Perkins Gilman is a real classic You should grab it and read it to experience it yourself Here s a simple plot to The Yellow Wallpaper by Charlotte Perkins Gilman The story details an intricate period in the life of a young woman Her supportive though misunderstanding husband John believes it is in her best interests to go on a rest cure after experiencing symptoms of temporary nervous depression after the birth of their baby The family spends the summer at a colonial mansion that strikes the narrator as odd She and her husband move into an upstairs room Along with the couple John s sister Jennie is present serving as the housekeeper At the time the windows are barred the wallpaper has been torn there are metal rings in the walls the kind that are used for restraints and the floor is scratched The narrator blames all these to children having resided there as most of the damage is away to their reach Ultimately readers are left to be unsure what is the source of the room s state leading them to see the ambiguities in the unreliability of the narrator It is strongly implied however that the room was formerly used as a prison to contain another mentally ill patient as the bed has been nailed to the floor and there is a gate at the top of the stairs leading to the room The narrator devotes many journal entries to describing the wallpaper in the room its yellow smell its breakneck pattern the missing patches and the way it leaves yellow smears on the skin and clothing of anyone who touches it She describes how the longer one stays in the bedroom the more the wallpaper appears to mutate especially in the moonlight With no stimulus other than the wallpaper the pattern and designs become increasingly intriguing to the narrator She soon begins to see a figure in the design and eventually comes to believe that a woman is creeping on all fours behind the pattern Believing she must try to free the woman in the wallpaper the woman begins to strip the remaining paper off the wall After many moments of tension between John and his wife the story climaxes with the final day in the house On the last day of summer she locks herself in her room to strip the remains of the wallpaper When John arrives home she refuses to unlock the door When he returns with the key he finds her creeping around the room circling the walls and touching the wallpaper She excitedly exclaims I ve got out at last in spite of you and Jane causing her husband to faint as she continues to circle the room creeping over his inert body each time she passes it believing herself to have
