Snyder, 2010-01-28 Howard A Snyder probes the relationship between the kingdom of God and our daily experience of the church *Revisioning, Renewing, Rediscovering the Triune Center* Derek J. Tidball, Brian S. Harris, Dr Jason S Sexton, 2014-11-10 An international cast of theologians come together in this volume to offer essays in tribute to the late Stanley J Grenz one of the leading theologians of his generation Accordingly the volume includes timely explorations in some of the most exciting areas in contemporary theology It is only fitting that these very explorations revolve around the key motifs of Grenz s theology Trinity community eschatology and the key sources from which he drew for theology s construction Scripture tradition culture While engaging key features seen in Grenz s work some of the essays here interact with Grenz s own writings reflecting on his theological journey and his contributions to evangelical theology In these ways this volume highlights the kind of evangelical theology that so many have experienced in recent years and of which Stan Grenz was a leading proponent Revisioning Renewing Rediscovering the Triune Center then makes a significant contribution to discussions in contemporary theology while itself setting out to honor the life and work of an eminent theologian who did so much for evangelical theology It Takes a Church to Raise a Christian Tod E. Bolsinger, 2004-04-01 Tod Bolsinger challenges Christians to rediscover the essential nature of God as a Triune community By doing so says Bolsinger the church will recover its vitality as a truly life transforming communion Focusing on daily living issues the book engages writers including John Calvin and Richard Foster Reclaiming a true trinitarian practical theology will allow Christians to reawaken and nourish a spirituality that is communal not merely consumerist or individualistic It will create Christian communities in which God transforms believers together into the likeness of Christ It Takes a Church to Raise a Christian is designed for pastors worship leaders evangelists and other church leaders

monastic community Part Three addresses themes in discipleship simplicity mysticism the passions and pilgrimage A red thread connecting these essays is the character of the triune God who is the energy and life in between all things **Spirit of God** Jeffrey W. Barbeau, Beth Felker Jones, 2015-03-06 Jeffrey Barbeau and Beth Felker Jones edit thirteen essays on the topic of the Holy Spirit in biblical historical and theological perspective featuring important contributions on the current shape of global Pentecostalism Contributors include Allan Anderson Oliver Crisp Timothy George Kevin Vanhoozer Amos Yong and Geoffrey Wainwright **Community, State, and Church** Karl Barth, 2004-10-05 Karl Barth was the master theologian of our age Whenever men in the past generation have reflected deeply on the ultimate problems of life and faith they have done so in a way that bears the mark of the intellectual revolution let loose by this Swiss thinker But his life was not simply one of quiet reflection and scholarship He was obliged to do his thinking and writing in one of the stormiest periods of history and he always attempted to speak to the problems and concerns of the time In June 1933 he emerged as the theologian of the Confessional movement which was attempting to preserve the integrity of the Evangelical Church in Germany against corruption from within and terror from without His leadership in this struggle against Nazism also made it necessary for him to say something about the totalitarianism that the Soviet power was clamping down upon a large part of Europe In this indirect way a Barthian social philosophy emerged and this theologian who abjured apologetics and desired nothing but to expound the Word of God was compelled by circumstances to propound views on society and the state that make him one of the most influential social thinkers of our time David Haddorff is Associate Professor of Theology and Religious Studies at St John's University New York He is the author of several articles and reviews and the book Dependence and Freedom The Moral Thought of Horace Bushnell 1994 Table of Contents Introduction by David Haddorff Karl Barth's Theological Politics 1 Gospel and Law 71 Church and State 101 The Christian Community and the Civil Community 149 Bibliography 191 A Model for Evangelical Theology Graham McFarlane, 2020-09-15 Written by a skilled theologian with over two decades of classroom experience this introduction to evangelical theology explains how connecting to five sources of Christian theology Scripture tradition reason experience and community leads to a richer and deeper understanding of the faith Graham McFarlane calls this the evangelical quintilateral which he recommends as a helpful rubric for teaching theology This integrative model introduces students to the sources themes tasks and goals of evangelical theology making the book ideal for introductory theology courses The Church and the Crisis of Community Theresa F. Latini, 2011 Contemporary society is in crisis its structures broken and fragmented and its people overstimulated overstressed and thirsty for true communion with the sacred and with one another Yet although more than eighty five percent of congregations in the United States conduct small group ministry too many of these groups begin with no clear sense of purpose structure or spiritual focus and end by veering away from Christian tradition and unknowingly settling for shallow versions of popular Christianity In The Church and the Crisis of Community Theresa Latini lays out both a theoretical groundwork and a practical

guideline for successful small group ministry Examining the latest sociological research and the real life practices of small groups in six congregations she shows how well developed groups those with mission statements leadership training and solid organizational structure can be a truly effective tool in the church s work of transforming broken and shallow forms of community into life giving life sustaining relationships with God and others A Community Called Atonement Scot McKnight,2010-03-01 Over the centuries the church developed a number of metaphors such as penal substitution or the ransom theory to speak about Christ s death on the cross and the theological concept of the atonement Yet too often says Scot McKnight Christians have held to the supremacy of one metaphor over against the others to their detriment He argues instead that to plumb the rich theological depths of the atonement we must consider all the metaphors of atonement and ask whether they each serve a larger purpose A Community Called Atonement is a constructive theology that not only values the church s atonement metaphors but also asserts that the atonement fundamentally shapes the life of the Christian and of the church That is Christ identifies with humans to call us into a community that reflects God s love the church but that community then has the responsibility to offer God s love to others through missional practices of justice and fellowship living out its life together as the story of God s reconciliation Scot McKnight thus offers an accessible thought provoking theology of atonement that engages the concerns of those in the emerging church conversation and will be of interest to all those in the church and academy who are listening in **The American Journal of Theology** University of Chicago.
