Theories And Strategies Of Family Therapy:

Theories and Strategies of Family Therapy Jon Carlson, Diane Kjos, 2002 Theories and Strategies of Family Therapy complements and expands upon the Family Therapy with the Experts video series produced by the same authors Twelve major theories of family therapy are presented Most are written by the experts who appear in Allyn Bacon's Family Therapy with the Experts video series Each chapter begins with a brief description of the theory and what makes it significant The authors then delineate the clinical perspective and the way in which their approach deals with today's diverse family forms The authors show how their theory is practiced by presenting ideas and then referencing sections in the corresponding video

Family Therapy Jon Carlson, Len Sperry, Judith A. Lewis, 1997 This is the first book to show therapists how to tailor their treatment plans and how to look at factors such as the impact of work and culture on a family's environment during the counseling process The authors believe that without new approaches counselors will continue to provide hit or miss interventions

Systemic Family Therapy Jon L. Winek, 2009-07-27 No other available text offers such a hands on approach to marriage and family therapy theory At the core of Systemic Family Therapy are comprehensive sections devoted to each developmental phase of the family therapy movement With clear descriptions and session by session case examples the author explores specific approaches within each of these phases With this pragmatic tenor students will gain a clear and in depth understanding of how family theory concepts relate to practice as well as ways those concepts interact with each other Key Features Uses specific examples and session by session case studies to illustrate how theoretical construct actually work in practice Outlines the shifts in thinking of the family therapy field from modern to postmodern Uses rich graphic representations and straightforward tables to illustrate key theoretical concepts Incorporates compelling questions and learning exercises that will lead to dynamic class discussions Intended Audience A refreshing departure from traditional instruction of family therapy theory this core textbook is an excellent resource for upper level undergraduate and graduate students of family therapy counseling social work and family studies
