S. McDonald, 2019-08-27 Who was the real Thomas Jefferson If this question has an answer it will probably not be revealed reading the many accounts of his life For two centuries biographers have provided divergent perspectives on him as a man and conflicting appraisals of his accomplishments Jefferson was controversial in his own time and his propensity to polarize continued in the years after his death as biographers battled to control the commanding heights of history To judge from their depictions there existed many different Thomas Jeffersons The essays in this book explore how individual biographers have shaped history as well as how the interests and preoccupations of the times in which they wrote helped to shape their portrayals of Jefferson In different eras biographers presented the third president variously as a proponent of individual rights or of majority rule as a unifier or a fierce partisan and as a champion of either American nationalism or cosmopolitanism Conscripted to serve Whigs and Democrats abolitionists and slaveholders unionists and secessionists Populists and Progressives and seemingly every side of almost every subsequent struggle the only constant was that Jefferson s image remained a mirror of Americans self conscious conceptions of their nation s virtues values and vices Thomas Jefferson s Lives brings together leading scholars of Jefferson and his era all of whom embrace the challenge to assess some of the most important and enduring accounts of Jefferson s life Contributors Jon Meacham presidential historian Barbara Oberg Princeton University J Jefferson Looney Thomas Jefferson Foundation at Monticello Christine Coalwell McDonald Westchester Community College Robert M S McDonald United States Military Academy Andrew Burstein Louisiana State University Jan Ellen Lewis Rutgers University Richard Samuelson California State University San Bernardino Nancy Isenberg Louisiana State University Joanne B Freeman Yale University Brian Steele University of Alabama at Birmingham Herbert Sloan Barnard College R B Bernstein City College of New York Francis D Cogliano University of Edinburgh Annette Gordon Reed Harvard University Gordon S Wood Brown University **American Biography** Carl Rollyson, 2006-02 This collection of reviews selected from Rollyson s New York Sun column is as much about the romance of biography as it is about the American lives Certain concerns resonate throughout the book the American left s failure to reckon with Communist subversion McCarthyism and Stalinism the problematic nature of authorized biography the history of American biography definitive biographies literary biography the differences between autobiography and biography the importance of interviews in biographies of contemporary figures the differences between history and biography comparative biographies the virtues of short biographies and of biographies for children the tendency of biographers to fictionalize and of
