Total Truth Study Guide Edition Liberating Christianity From Its Cultural Captivity:

The Mystery of Life What'S It All About? David E. Peeples,2018-03-15 Have you ever seriously considered the most difficult and puzzling questions presented to our minds during this mortal sojourn through an often difficult and challenging existence Who am I Where did I come from Why am I here Where am I going And perhaps the most important question of all What is my purpose for living In this ultra modern digital world of today many people have become so preoccupied with the daily pursuits of life and the addictive overuse of time consuming technology that many of them rarely pause to seriously consider what life is actually all about In writing *The Mystery of Life* it has been my hope and my goal to personally challenge each reader to consider many relevant facts and to follow a line of evidence pointing toward a worldview that is often overlooked and too easily marginalized We live in an aggressive technology driven world where the wild pursuit of power prestige possession and pleasure has become the driving influence ruling over many of our lives What does your worldview look like Is there enough evidence to support it beyond reasonable doubt If not then I invite you to consider a vast body of mounting evidence that could lead toward a more accurate discernment of an often confusing existence The view of life that we have each come to know will strongly influence everything we do say and become in this world Based on a remarkable consensus of evidence perhaps we should consider a worldview understanding that will ultimately avail our hearts and minds of the personal fulfillment and satisfaction we have always longed for and often dreamed of We owe it to ourselves to seriously consider where the evidence is leading us Isnt it about time to discover the answers to our most persistent and pressing questions *The Mystery of Life* is presented as a literary expose addressing the questions of origin meaning morality and destiny

Van Vliet,2011-09-01 Is the Old Testament still relevant for Christians today Which fountains of wisdom which never failing streams which wells of joy filled salvation are we missing out on if we neglect the Old Testament Prov 18 4 Amos 5 24 Isa 12 3 In this celebratory volume fifteen scholars collaborate to explain and expound diverse aspects of the Christian life with a special focus on drawing lines from the Old Testament through the New Testament toward the daily reality of living together as pilgrims in the church of Christ This book commemorates the retirement of Dr Cornelis Van Dam professor of Old Testament from the Canadian Reformed Theological Seminary in Hamilton Ontario Canada For three decades Dr Van Dam taught seminary students to draw living water from the wells of salvation All the contributors to this book have benefited in one way or another from his knowledge and instruction

theologically grounded treatment of what it means to be close to God Numerous Christian books aim to provide guidance on relationships with God but few base their conclusions on a biblical theology of intimacy In this volume Tim Anderson develops a biblical and holistic portrait of nearness to God exploring key themes like God s Trinitarian union the fall God s fatherhood marriage imagery suffering and our relationship with the Holy Spirit A concluding chapter examines contemporary Christian songs that address oneness with God and evaluates their theological messages in light of the previous chapters Into His Presence is a helpful guide for pursuing intimacy with God and distinguishing contemporary cultural understandings of close relationships from those communicated in Scripture

Andrews University Seminary Studies Andrews University. Seventh-Day Adventist Theological Seminary,2007 God, Caesar, and Idols: The Church and the Struggle for America's Soul Rick D. Boyer,2022-02-09 Once one nation under God America today is desperately sick And the Church seems to have no answers How can a nation so churched be so untouched by the Gospel Why has the Glory departed leaving a nation racked by political hatred drug addiction and shattered families God Caesar and Idols asks these questions and calls the Church to seek God s Word for answers Too many Christians no longer make political choices on the basis of eternal truth but instead make them on the basis of purely financial considerations It s time for the Church to break its addiction to humanistic government schooling and instead bring them up in the nurture and admonition of the Lord This book challenges the Church to reject cheap grace and the easy temptation to be tolerant of society s rebellion We must again honor the authority of God s Word and embrace the life altering power available when we reject our cultural idols and proclaim the whole counsel of God without compromise Armed with careful scriptural exegesis and supported by the words of great Christians from church history God Caesar and Idols encourages the American Church to again contend for the faith in today s culture whatever the cost *AFA Journal* ,2005
