Tough Choices For Consumer Goods Companies:

Tough Choices Carly Fiorina, 2011-02-22 By accepting the CEO job at Hewlett Packard an iconic company that had lost its way Carly Fiorina confirmed her status as the most powerful businesswoman in America But she also made herself a target for everyone who disliked her bold leadership style and resented her rapid rise For six years as she led HP through drastic changes and a controversial merger Fiorina was the subject of endless analysis debate and speculation Yet in all that time the public never really got to know the person behind the persona *Tough Choices* finally reveals the real Carly Fiorina who writes with brutal honesty about her triumphs and failures her deepest fears and most painful confrontations including her sudden and very public firing by HP's board of directors *Tough Choices* shows what it's really like to lead a major corporation in a time of great change while trying to stay true to your values It's one woman's inspiring story along with her unique perspective on leadership technology globalisation sexism and many other issues Superb certain to be a hit Ms Fiorina is at her best when recounting the travails of a woman in a male dominated culture She is also good in her psychological descriptions of the constant betrayals that occur in corporate bureaucracies The woman that emerges from these pages is cultured sensitive and vulnerable even as she acts tough *The Economist* [Playing to Win, Expanded with Bonus HBR Articles](#) A.G. Lafley, Roger L. Martin, 2025-09-30 A Wall Street Journal and Washington Post bestseller A playbook for creating your company's winning strategy Now also includes two HBR articles by the authors Strategy is not complex But it is hard It's hard because it forces people and organizations to make specific choices about their future something that doesn't happen in most companies In this contemporary business classic now with a foreword from former Harvard Business Review editor in chief Adi Ignatius and new articles providing fresh insights two of today's most respected business thinkers explain what strategy is for how to think about it and how to get it done And they use one of the most successful corporate turnarounds of the past century which they achieved together to prove their point The result is a playbook for winning At its core is a set of five integrated and essential strategic choices What is our winning aspiration Where will we play How will we win What capabilities must we have in place to win What management systems are required to support our choices The authors tell rich stories of iconic P G brands such as Olay Bounty Gillette and more to clearly illustrate how deciding on a strategic approach and then making the right choices to support it makes the difference between just playing the game and actually winning *Strategic IQ* John Wells, 2013-01-11 In today's world only the smartest survive The competitive landscape is littered with graves of well known firms whose revenues profits and stock prices rose for decades until they suddenly imploded In fast changing business environments firms must adapt their strategies and innovate to remain at the top But many successful firms fail to do so Instead they succumb to inertia hesitate or stick blindly to their old strategies until it is too late The ability to adapt to change is a measure of intelligence so why do firms demonstrate such low Strategic IQ What causes inertia and why is it so deadly How can leaders help their firms to act more intelligently This book identifies

the key sources of inertia strategic structural and human and provides practical advice on how they can be overcome to create smarter corporations It is both a wake up call for successful firms and a lifeline for firms struggling to succeed To successful firms beware You may already be dead To struggling firms have hope It is possible to pass powerful competitors by raising your strategic structural and human IQ Praise for Strategic IQ Hard hitting and stimulating Wells thesis carries a robust message that should make business leaders the world over sit up and think Archie Norman Chairman of ITV UK Wells makes a compelling case for dramatic change Ron Sargent CEO of Staples USA *Building the Value Machine* Peter Cheverton, Kingsley Weber, 2009-11-03 Building the Value Machine represents the type of business that many aspire towards a business that is able to align its internal functions including sales and marketing in order to collaborate with its key customers and create real and unique value for mutual benefit This book provides a solution to the challenge of finding the right organizational structures the right planning and operational processes and to place all of that under the right kind of leadership to create the right kind of value This is the kind of value that will be good for both the customer's business and the organizations Building the Value Machine explores how to target your customers effectively match the capabilities of the business with the needs of the customer and align all business functions through successful leadership The result is a business that is truly aligned with its customers and fully attuned to the vital match between knowing which opportunities to chase and being able to deliver the value required It will help any business learn and develop both its processes and its value propositions **Business Review Weekly**, 1990 **Harvard Business Review**, 1929 Includes sections Review of business literature and Book notices Best 143 Business Schools Nedda Gilbert, Princeton Review (Firm), 2004 Our Best 357 Colleges is the best selling college guide on the market because it is the voice of the students Now we let graduate students speak for themselves too in these brand new guides for selecting the ideal business law medical or arts and humanities graduate school It includes detailed profiles rankings based on student surveys like those made popular by our Best 357 Colleges guide as well as student quotes about classes professors the social scene and more Plus we cover the ins and outs of admissions and financial aid Each guide also includes an index of all schools with the most pertinent facts such as contact information And we've topped it all off with our school says section where participating schools can talk back by providing their own profiles It's a whole new way to find the perfect match in a graduate school *The Magazine of Business*, 1909 *Confidential Bulletin* National Retail Merchants Association (U.S.), 1928 **Western Aviation, Missiles, and Space**, 1963 **Manufactured Milk Products Journal**, 1927 Standard & Poor's Creditweek, 2008 *The Wisconsin Agriculturist*, 1902 **Report on Business Magazine**, 1990 Training, 1990 Business Ethics, 2001 *Congressional Record* United States.
