Tourism And Cultural Change In Costa Rica Pitfalls And Possibilities:

Tourism and Cultural Change in Costa Rica Karen Stocker, 2013-06-20 This book examines the consequences positive negative and otherwise of tourism in Costa Rica Based on ethnographic research and interviews with tourists tour operators tourists turned settlers and locals living in tourist destinations this book brings together these varied perspectives with the aim of presenting forms of tourism beneficial to all parties To examine both pitfalls and positive outcomes of tourism it compares modes of tourism in destinations that are locally owned and foreign owned ecotourism destinations beach tourism adventure tourism sites and agrotourism projects Furthermore the author draws from two decades of research in two distinct communities to trace the ways in which the development of tourism in one community provided the springboard for changing gender roles and new opportunities for women and in the other how the promise of tourism has spurred a cultural revitalization and positive change in Indigenous identity Interviews with three generations of women in one tourist destination show generational changes in perspectives on tourism and interviews covering the same time span show how in an Indigenous reservation poised to enter the heritage tourism industry tourism offers a positive alternative to exploitative forms of labor and the stigma once associated with Indigeneity in that region Interviews with locals in all four sites reveal the ways in which tourism carried out conscientiously would benefit them These juxtaposed with interviews of tourists regarding what they seek through tourism offer a means of designing a mutually beneficial form of tourism In sum this book puts into conversation the varied views of those positioned differently within the realm of tourism in order to inform tourists and foreign land owners as to how they might glean the advantages that such an experience may bring to the traveler while also playing up the benefits of these endeavors to local communities and minimizing the potential damage these practices may cause

Re-Centering Women in Tourism Frances Julia Riemer, 2023-05-08 Re Centering Women in Tourism Anti Colonial Feminist Studies addresses tourism as simultaneously empowering women and reproducing colonial hierarchies This volume contributes to conversations on the engagement of women in tourism by centering women s multivalent lived experiences as hosts liaisons vendors performers producers and consumers in tourism projects Examining eco tourism craft production and food tourism initiatives the contributors embrace the building of new knowledge and advocate for change By centering women and their experiences through epistemological lenses that encompass colonial histories and economics this collection reframes the very presuppositions on which tourism initiatives are based and helps imagine sustainable and regenerative alternatives For more information check out A Conversation with Frances Julia Riemer Editor of Re Centering Women in Tourism Anti Colonial Feminist Studies
