TOURISM AND DEVELOPMENT **Concepts and Issues**

Edited by
Richard Sharpley and David J. Telfer

Tourism And Development 2nd Edition Concepts And Issues Aspects Of Tourism

**Larry Dwyer, Peter Forsyth, Wayne
Dwyer**

Tourism And Development 2nd Edition Concepts And Issues Aspects Of Tourism:

Tourism and Development Richard Sharpley, David J. Telfer, 2002-04-30 The development of tourism is frequently justified on the basis of its potential contribution to the broader socio economic development of destination areas Indeed tourism is generally considered an effective vehicle of development yet the meaning and objectives of development and the extent to which it can be achieved through tourism is rarely questioned Moreover the relationship between tourism and development remains an under represented area of study and research This book addresses this gap in the literature by challenging many of the widelyheld assumptions about tourism s developmental contribution In the first part a theoretical link is established between the discrete yet interconnected disciplines of tourism studies and development studies More specifically the meaning of development and successive development paradigms are considered within the context of tourism This provides a conceptual foundation for the second part of the book which addresses a number of fundamental issues related to tourism s potential contribution to development These include issues of economic development regional development socio cultural development and environmental development Finally the third part focuses upon barriers to tourism induced development arguing that a new political economy of tourism the consumption of tourism and the dominance of the sustainable development paradigm represent significant counterpoints to overly simplistic models of tourism s potential contribution to development

Tourism and Development Richard Sharpley, David J. Telfer, 2007

Tourism, 2nd Edition Peter Robinson, Michael Lück, Stephen Smith, 2020-05-22 Fully revised *Tourism* 2nd edition covers aspects of tourism from a modern perspective providing students with a range of theoretical and research based explanations supported by examples case studies and unique insights from industry representatives Covering topics such as policy and planning heritage management leisure management event management and hospitality management the book tackles the practical elements of academic tourism such as infrastructure management and economic development together with other important contemporary issues such as sustainable development and post tourists

Travel and Tourism Richard Sharpley, 2006-11-15 The SAGE Course Companion in Travel and Tourism is an accessible introduction to the subject that will help readers extend their understanding of key concepts and enhance their thinking skills in line with course requirements It provides support on how to revise for exams how to present calculations and how to prepare for and write assessed pieces Readers are encouraged not only to think like a Travel and Tourism professional but also to think about the subject critically Designed to complement existing textbooks for the course the companion provides Easy access to the key themes in Travel and Tourism and an overview of its business context Helpful summaries of the approach taken by the main textbooks on the course Guidance on the essential study skills required to pass the course Sample exam questions and answers with common pitfalls to avoid A tutor s eye view of what course examiners are looking for A road map for the book to help readers quickly find the information they need The SAGE Course Companion in Travel and Tourism is much more than a revision guide for

undergraduates it is an essential tool that will help readers take their course understanding to new levels and achieve success in their undergraduate course

Handbook of Tourism Impacts Stoffelen, Arie, Ioannides, Dimitri, 2022-05-13
 This Handbook provides a comprehensive overview of current developments issues and good practices regarding assessment in social science research It pays particular attention to the challenges in evaluation policies in the social sciences as well as to the specificities of publishing in the area

Tourism and Development Richard Sharpley, 2015-08-28
 Fundamental to the study of tourism is the relationship between tourism and development Tourism represents a major sector of the global economy and as such is considered by many to be an effective driver of economic growth and development in destination areas Importantly however most destinations face what has been referred to as a development dilemma Whilst the benefits afforded by tourism including income foreign exchange and government revenue generation employment economic linkages infrastructural development and environmental enhancement are recognised so too are the negative consequences of tourism development This Major Work illustrates tourism and development through a collection of key papers which have contributed to knowledge of and debates in this significant area of tourism studies The literature is framed by an extensive introductory chapter which highlights the key concepts themes and debates

Volume One The Tourism Development Dilemma The Benefits and Costs of Tourism
 Volume Two Tourism and Sustainable Development
 Volume Three Tourism Alternatives
 Volume Four Contemporary Tourism and Development Issues

Tourism Innovation Vanessa Ratten, Vitor Braga, Jose Álvarez-García, Maria de la Cruz del Rio-Rama, 2019-06-26
 Tourism can take many different forms and types but increasingly it is viewed as one of the most innovative industries This book showcases the innovations in tourism through a creativity sustainability and technology perspective

Tourism Innovation Technology Sustainability and Creativity addresses the growing use and importance of tourism innovation in society Readers of this book will gain a global perspective on how the tourism industry is changing and taking advantage of emerging technologies which will help them to foresee potential changes in the industry and plan for the future

Tourism innovation is defined as innovating in a cost efficient manner by taking into account the available resources Most of the focus on tourism innovation has been on developing countries but it is also used by companies in other locations This book explores the way in which tourism innovation differs from other types of innovation and offers a creative solution to issues about sustainability and the circular economy In this vein it includes chapters addressing issues related to the following but not limited subjects co creation in innovation social issues in innovation leadership and innovation forms of innovation government innovation and innovation research This book is suitable for tourism industry professionals researchers and policy experts who are interested in how innovation is embedded in the tourism industry

Tourism Economics and Policy Larry Dwyer, Peter Forsyth, Wayne Dwyer, 2010-10-27
 Tourism Economics and Policy combines a comprehensive treatment of economic concepts and applications in tourism contexts The topics covered are those that most occupy the attention of tourism economists in research and policy areas internationally

includes tourism demand and forecasting tourism supply and pricing measuring tourism s economic contribution using tourism satellite accounts measuring the impacts and benefits of changes in tourism demand contrasting Input output and computable general equilibrium modelling cost benefit analysis economic evaluation of special events tourism investment and infrastructure tourism taxation aviation and tourism issues tourism and the environment including climate change and destination competitiveness The text provides an excellent basis for students to appreciate the relevance of economic analysis to the solution of real life tourism issues as well as its importance for decision making by both destination managers and tourism operators
