Cole,2011-09-29 In this collection of twenty eight riotously funny and outrageously honest true life tales author Joni B Cole manage to mingle low moments with high comedy and social awkwardness with social observation The title essay was inspired when the author went to the bookstore and noticed all the bestsellers about adorably naughty dogs At first resentful of these other writers successes Unfortunately my own career as an author had not been going so well these past couple years not since I d discovered the Watch Instantly

option on Netflix Cole eventually realized she had her own bad dog story to exploit hers in the form of her adorable Chihuahua Bat who won't be contained by invisible fencing and won't let anyone pet the family cat in peace Yet from this huffish beginning evolved a tale as heartwarming as it is hilarious Self aware edgy and masterfully crafted this charismatic collection including some heartbreakers is for anyone who has ever felt over attached to a pet stalked her high school crush said long goodbyes to loved ones or tried to talk and talk and talk her way through the ups and downs of life A wonderful new addition to a genre best described as humor that matters

To Tell You the Truth Enid Levinger Powell, 2008-08 Are these stories autobiographical or fiction the author is asked Yes she says Life does not provide perfect plots and all the cool characters you need if you hope to hook a reader but imagination stitched to scraps of experience and observation can create a patchwork quilt called fiction The stories follow the Law of the Imagination Tell the truth and the lies take care of themselves Any links that a reader may invent are reasonable even if not true A teenage daughter enduring a home perm a saleswoman coveting a thin gold chain a woman seeing off her college bound son and visiting parents all on the same day In this collection of exquisitely nuanced stories it isn't so much what is said but what is left unspoken that gives Powell's work such emotional complexity and firepower Proof positive that a good story is truer than the truth Joni B Cole author of *Toxic Feedback* Helping Writers Survive and Thrive What did you like best about this book This book is filled with extraordinary characters and diverse plotting I eagerly read through it while wondering what next the book held in store for me I believe its strength aside from the excellent writing skills lies in the way you captured the essence of our lives I identified with so many of the chapters saying to myself yes that's the way it is that's what happened that's how I felt I particularly liked Scenes with a View that captures the young daughter moving into her first place and the parents discomfort with it I remember how vulnerable I felt at that time How hard I tried to make my place perfect or at least good enough to gain my parents approval How can the author improve this book It would be difficult to say how you could improve this book I thought the writing was superb characterization the same and the stories tugged at my heart I cried at the end Tears fill my eyes even as I write these words Congratulations on a lovely book If you are not a winner this year it is because there are so many excellent entries
