Triumphant Return The Coming Kingdom Of God:

Triumphant Return Grant R. Jeffrey, 2010-05-12 Triumphant Return is an upbeat positive proclamation of the tremendous prophecies about the Second Coming and the awesome transformation of humanity that will unfold when Christ ushers in the Kingdom of God Key Features Include Christ s Triumphant Return your role in the coming Kingdom of God Why are the Rapture and the Second Coming under attack today How should we understand the Bible s prophecies Literal or symbolic Past or future The coming Millennial Kingdom of God the key to understanding prophecy Historical evidence disproves the false theory that Revelation s prophecies were fulfilled in A D 70 What did the Early Church believe about the Second Coming The early Christians taught Christ s return will be literal imminent and premillennial Fascinating new research about the remarkable prophecies pointing to the nearness of Christ s premillennial return Astonishing evidence the Muslim Koran acknowledges Israel s right to the Promised Land How should the promise of Christ s return transform your faith and daily walk with God **The New Rebellion Handbook** GRQ, Inc., [The Greatness of God](#) Charles Frank

Thompson, 2016-02-08 With each passing day our world seems to drift further and further away from the God of the Bible divine creation and Christian belief This societal shift toward postmodernism and secularism is not a new development however the expanding and intensifying revolt against the biblical God and Christianity traces its roots back to the modern philosophies of the Enlightenment and Romanticism which have given rise to many divergent views during the past three centuries and become even more extreme in recent postmodernism The Greatness of God How God Is the Foundation of All Reality Truth Love Goodness Beauty and Purpose stands as an intellectual counterweight to the prevailing winds of a secular postmodern world Author Charles Frank Thompson argues that the consequences of this rejection of God and divine creation have not been benign He traces the modern revolution in detail and describes its deleterious consequences including the loss of the ultimate basis for universal truth knowledge meaning and purpose In The Greatness of God Thompson explores a wide range of topics including Christian theology metaphysical philosophy and an analysis of modern thought and art He examines the rich history of Christian poetry prose and art and takes a look at recent scientific discoveries that help us understand Christian teachings about God s creation He concludes with an exploration of the millennium the eternal kingdom of God and the spiritual state of America and Europe today *Beguiled: Eden to Armageddon Volume 2* Dr. Joye Jeffries

Pugh, 2017-12-09 Your unique journey in this life is about to begin with the book you now hold in your hands From this day forward you will become an informed highly educated greatly inspired and blessed person as you commit to studying the contents of BEGUILED Eden to Armageddon Volumes 1 2 and 3 Today your life will be transformed and greatly enhanced by the rarest of information you will ever have had the privilege to read BEGUILED will motivate you to rethink ancient myths false doctrinal teachings and mankind s entire history *The Coming New World Order* Thomas J. Mueller, 2015-04-02 This book proposes a step by step blueprint for a better world There is a storm brewing on the horizon A new world order is

coming based on all the trends and global pressures that is facing mankind today The question is who s world vision is going to prevail and lead us into the 21st century and beyond Will it be based on Man s vision and his world ruling government that has only produced war or God s vision and Christ s world ruling government that is guaranteed to produce lasting peace The outcome to this vital question and struggle will either bring on the Apocalypse or the prophesied Millennium It is our choice and we need to decide soon before we hit a point of no return Prophecy says the Kingdom of Man is going to face off with the Kingdom of God on the Plains of Megiddo in Northern Israel in the not too distant future for supremacy on earth if we don t heed the warnings and change our ways Our message therefore is simple Christ is returning shortly as King of Kings to establish a new political order His world ruling government of the Kingdom of God on earth His return can either be a forceful one or a peaceful one It is our decision Either way we need to decide soon and get ready for the Second Coming

Signs of the Coming Christ R Scott Sykes,2004-10 Signs of the Coming Christ is a consolidation of all biblical prophecy that is relevant to the current age This scientific analytical approach sheds new light on ancient scriptures *Odyssey of Grace* Cy Mersereau,2020-11-30 In the Odyssey of Grace series Cy Mersereau invites you to join him as he travels through the twenty seven books of the New Testament In this series each book of the New Testament is summarized with special consideration given to topics of common and sometimes controversial interest The journey begins with the coming of Christ in the four Gospels then threads its way through the epistles and ends with Revelation where time dissolves into the eternal state Along the way the reader will encounter adventure history theology advice for practical Christian living and become acquainted with some of the more fascinating personalities of the early church The author of each book has his own style his own emphasis and his own story that is part of the larger story of Jesus Christ and the redemption he purchased for us on Calvary two thousand years ago Some of the topics covered here include Prophetical insights from believers of various backgrounds on the book of Revelation The hotly contested miracle of Jesus turning water into wine Judas his betrayal of Christ and how and when he died A discussion of the book of Philemon to address the question of whether the Bible promotes slavery A comprehensive look into why the Gospel of Mark has so many endings and which is the right one Join in on the conversation as Cy discusses these questions and so many more

33 Ways God Is Preparing the World for the second Coming Drew Williams,2023-04-24 Can you see the prophecies being fulfilled all around you From societal advancements and religious movements to the physical signs and wonders that foretell Christ s return God is clearly preparing our world for the next phase of His plan Illuminating and informative this comprehensive volume will help you prepare yourself and your loved ones for life in these turbulent but blessed last days *One Thousand Years* David Coleman,2019-12-12 Imagine Jesus ruling over a kingdom that encompasses the entire planet with no one denying that Christ is God Perfect justice will prevail throughout the world and any rebellion will draw quick retribution Righteousness will triumph over evil everywhere and God s glory will extend from Jerusalem to the ends of the earth The greatest thing about the above scenario is that it is true Yet

because many sermons and Bible studies on prophetic subjects tend to focus upon darker events foretold in Scripture most believers know little about it Handed pen and paper many believers could probably write out relatively well informed descriptions of end time topics such as the Tribulation the Antichrist and the Battle of Armageddon but ask them to describe the Millennium and many would respond with a blank stare If that describes you this book will fill you in on the bright future that awaits you One Thousand Years provides an overview of Christ s glorious earthly kingdom and explains why its literal fulfillment is guaranteed in Scripture Unveiling Mysteries of the Bible Grant R. Jeffrey,2013-06-19 The Bible is certainly the most mysterious book ever created The Scriptures are filled with hundreds of curious passages that have puzzled both Jews and Christians for thousands of years In this powerful faith building book respected author Grant R Jeffrey takes the reader on a journey of mystery while uncovering deep truths found in the word of God It is the glory of God to conceal a thing But the honour of Kings is to search out a matter Proverbs 25 2 Key Topics Include The Mystery of 3 Days and 3 Nights and Christ s Resurrection The Mystery of the Virgin Birth and the Star of Bethlehem The Fall of the Walls of Jericho Ancient Egyptian manuscript confirms the 10 plagues of Exodus Joshua s Long Day Jonah and the Great Fish The Mystery of the Lost Treasures of the Temple Why Christians Worship on Sunday **War on Terror** Grant R. Jeffrey,2010-03-24 The World Changed Forever on September 11 2001 Best selling author Grant R Jeffrey explores the motives and plans of the Islamic terrorists that declared war on America War on Terror examines the truth behind the headlines about this vital struggle that affects all of us Learn how the American led alliance will use our powerful intelligence and military forces to destroy the thousands of terrorists as well as the governments of Iraq Sudan and Yemen that support terrorism Key features include Compelling evidence Iraq is behind Bin Laden s attacks on America The war on terror against Iraq was prophesied by Jeremiah 2500 years ago The nations that support Islamic terror Why Islamic terrorists hate America Israel and Arab governments How America will defeat the global threat from Islamic terrorists The Taliban the Pashtun tribe and the Ten Lost Tribes Terror attacks on Israel America s key strategic ally in the Middle East Russia s Strategic Goal to turn the coalition against Israel New surveillance and counter terrorism technology and world government The need for security versus our privacy and freedom **The Gospel According to Mark** Henry S. Solly,1893 **Kingdom Come (EasyRead Super Large 18pt Edition)** , **"The Invisible Kingdom" Learning to See What God Sees** Nicholas Carl Moore,2017-08-21 I am passionate about marketplace ministry I abandoned legalism and the laziness comfort and apathy associated with being a Christian For many years I sat on the gifts and talents afforded me by the grace of God I was frustrated and irritated I was bored with the regiment of Sunday mornings I was invisible I wanted more I needed more I asked God to set me free and He did it I was given the gift of Mandate Ministries in 2008 and it is obvious to me that God spoke the same breath of life into other men who was tiring of church and longing for the Kingdom but didn t exactly know how to get there We weren t invisible to man we were invisible to God Kingdom Come (EasyRead Edition) Allen Mitsuo

Wakabayashi,2003 The Scroll Grant R. Jeffrey,Alton L. Gansky,2011 David a biblical archeologist struggling with his faith goes on an excavation with his mentor and ex fianc e for the Copper scroll which shows the location of an ancient treasure and uncovers secrets connected to the Middle East conflict and Armageddon The Christian Torah C. V. White,2015-09-21 Matthew 4 17 Repent for the kingdom of heaven is at hand The fact that the kingdom has come indicates that there is a KING and His kingdom We know of the KING but what do we know of His kingdom What does the KING expect What are the rules of the kingdom How do we identify thye subjects of the kingdom The answers to these questions and many more are found in this book Isn t it time you found out the rules of the kingdom where you reside More Than A Pretty Face Joel

Oesch,2017-07-18 The online social network phenomenon has forever changed the way we think about ourselves in relation to our neighbors But do these massively popular networks actually build community More Than a Pretty Face invites us to consider the present and future challenges of the Digital Age and offers resources from Lutheran theology notably from Dietrich Bonhoeffer that call into question many of the assumptions that support a disembodied understanding of community What remains is a genuine call for a vibrant theology of embodiment By recognizing the distinctive features of physical communities Christians can discern which digital social technologies embrace a view of humanity that necessarily includes the body There is no need for either the polar extremes of neo Luddism or the uncritical embrace of all things digital Rather Christians are called to respond to needs of the community with empathy intimacy and physicality *End of Days* Galadriel Graham,Al,2025-02-14 End of Days explores the fascinating world of apocalyptic prophecies across major religions revealing shared visions of the end times From Christianity s Book of Revelation to Islam s Day of Judgment Hinduism s Yugas and Norse mythology s Ragnar k the book examines how these narratives shape individual behavior and influence societies It highlights intriguing facts such as the parallel between Ragnar k s destruction and rebirth and similar themes in other traditions without adding new concepts This book offers a unique comparative analysis presenting diverse eschatological landscapes within a single volume It provides the necessary historical and theological context to understand complex prophetic language making it accessible to a broad audience Beginning with an introduction to prophecy and eschatology each chapter explores the specific prophecies of various religions culminating in a comparative analysis of common themes and their psychological and social impacts The book distinguishes itself by revealing both the unique aspects of each tradition and the shared human concerns that underpin them such as justice morality and the ultimate fate of the world

Kingdom Advancing Trevor Grizzle,2023-06-22 For decades the kingdom of God has remained one of the dominant and most important themes in theology and biblical studies The kingdom of God is no passive abstract construct or static movement God s rule and reign stretch to the farthest bounds of the earth reaching and encompassing humankind wherever they may be found and bringing them under the lordship of Christ It is this aggressive march of the kingdom that inspired the title of this book While engaging a readership of persons with interests and differing levels of formal academic training

Kingdom Advancing targets theological students local pastors and laypersons who wish to broaden and deepen their biblical and theological understanding of God's rule in the world To that end the writing and contents are neither pedantic nor elementary but are pitched at an accessible wavelength and frequency The reader will find the contents to be theologically and biblically balanced
