Bohn,2019-09-01 Even before Bram Stoker immortalized Transylvania as the homeland of his fictional Count Dracula the figure of the vampire was inextricably tied to Eastern Europe in the popular imagination Drawing on a wealth of previously neglected sources this book offers a fascinating account of how vampires whose various incarnations originally emerged from folk traditions from all over the world became so strongly identified with Eastern Europe It demonstrates that the modern conception of the vampire was born in the crucible of the Enlightenment embodying a mysterious Eastern otherness that stood opposed to Western rationality From the Prologue From Original Sin to Eternal Life For a broad contemporary public the vampire has become a star a media sensation from Hollywood Bestselling authors such as Bram Stoker Anne Rice and Stephenie Meyer continue to fire the imaginations of young and old alike and bloodsuckers have achieved immortality through films like Dracula Interview with a Vampireand Twilight It is no wonder that in the teenage bedrooms of our globalized world vampires even steal the show from Harry Potter They have long since been assigned individual personalities and treated with sympathy They may possess superhuman powers but they are also burdened by their immortality and have to learn to come to terms with their craving for blood Whereas the Southeast European vampire discovered in the 1730s underwent an Americanization and domestication in the media landscape of the twentieth century the creole zombies that first became known through the cheap novels and horror films of the 1920s still continue to serve as brainless horror figures Do bloodsuckers really exist and should we really be afraid of the dead These are the questions that I seek to tackle following the wishes of my daughter who was ten when I started this project Zeitschrift für Volkskunde ,1892 *Die Volkskunde und ihre Pflege in der Schule* Friedrich Kunze,1928 **Literarisches Centralblatt für Deutschland** Friedrich Zarncke,Eduard Zarncke,1880 *Feste und Volksbräuche der Sorben* Edmund Schneeweis,1953-12-31 Keine ausführliche Beschreibung für Feste und Volksbräuche der Sorben verfügbar The Folk-lore Journal ,1883 **Leipziger zeitung** ,1881 *Literarisches Zentralblatt für Deutschland* ,1880 Zeitschrift Für Romanische Philologie ,1879 **Publications** Folklore Society (Great Britain),1891
