Blood Bound Tay T.,2020-07-19 Can the prey really catch the predator Or will the predator devour the prey When Maya a dark sorceress discovered an ancient scroll in her search for ultimate power she kidnapped a lethal Alpha known for his ruthless and brutal ways an Alpha known to be more beast than man Alpha Xavier Thaeos the Southern Cardinal Lord He ruled over others weaker than him and was considered a living nightmare He was the Alpha of Alphas The head honcho And Maya had succeeded in chaining him to the walls of her keep and bleeding him to activate the scroll s ritual never realizing that she was walking face first into a trap big enough to bind herself to the cunning Alpha Permanently This steamy werewolf romance contains explicit love scenes Excerpt What is the purpose Why risk your life and do something so very foolish as to cross me the daunting Alpha asked With a slight lift of her upper lip the sorceress pulled the silver dagger out of her bag and approached the daunting Alpha Someone like you wouldn t understand If you don t tell me how do you know I won t he asked swiftly watching the dark sorceress step into the barrier between safety and chaos A feral smile emerged on Xavier s lips His primal urges awakened as the wondrous scent of spring blossoms curled around his senses and teased him with its delicious elements Maya watched him with sharp eyes suspicion collecting in the light depths First of all why do you even care There was a little pause after her words as if he were contemplating her

question with the utmost consideration All the while his citrine colored eyes stared directly into her own molten and heated in such an unbearable way that she had to remove her gaze Maya hated the way he stared at her It gave her this insecure feeling of being the lesser of the two as if he were superior to her and would one day make her pay for her insolence She loathed the feeling of being the prey when he was the mighty predator It irked her to no end Because you interest me he said You make me want to know more about you His powerful statement caused goosebumps to litter Maya s skin in sickening amounts She had to stop herself from heaving in disgust Her back straightened and her shoulders squared when she stopped but a foot from him smiling sweetly angelically up at him with those full pouty lips he wanted to map with his own Then she replied to him with a harsh stab of the silver dagger straight through his muscled forearm Your interest is rather strange and unnecessary she replied offhandedly And I would prefer you keep it to yourself or I will do it for you Maya heatedly watched as crimson blossomed on his skin and collected in the copper chalice she had conjured The first few drops pitter pattered in her cup dancing a light rhythm until she twisted the dagger sharply and caused blood to gush down and fill the cup Don t forget Alpha you are my prisoner Cooperate and I will let you go Retaliate and I will let you rot within the very depths of hell she threatened crudely removing the dagger before digging it back into his arm to state how serious she was Mark My Words In response to her violent caution mirth filled his eyes instead of fear anger or pain Let him go He smirked at the quixotic thought She would not be able to

Queen Book 1) Scarlet Phoenix, 2023-02-16 There has never been a female Alpha until Amani Constantine. She was once the future Alpha of the Bloodmoon pack, a pack that was completely annihilated under the order of the Alpha King. In one night, Amani lost her parents and her entire pack and was spared only for being the fated mate of Prince Malakai, the son of the Alpha King and heir to the throne. She despises the Alpha King and hates the Prince just as much, but Prince Malakai is determined to mold Amani into the most obedient mate. Submission is not Amani's nature; she is an Alpha and submits to no one, but she is a wolf-less Alpha unable to shift. They call her a defect, a flaw, and an abomination to their kind. When the wolf inside her finally awakens, will she stand at her mate's side to become the next Luna Queen? Or will Amani step into her role as the Alpha she was destined to be and seek her revenge for the slaughter of Bloodmoon?
