West Point Two Centuries And Beyond:

West Point Lance Betros, 2004 The U S Military Academy at West Point is one of America s oldest and most revered institutions Since its founding in 1802 it has prepared young men and recently young women for careers as officers in the army and for a lifetime of service to the nation The distinguished record of Academy graduates in war and peace has earned West Point a reputation as one of the world s premier leader development institutions West Point celebrated its bicentennial in 2002 In honor of the milestone the USMA Department of History hosted a multi disciplinary conference that provided an opportunity for serious study of the Academy and its place in American society The topics included the Academy s role in developing officer professionalism its influence on the careers of distinguished graduates institutional challenges and changes the experiences of women and minorities at West Point and the evolution of the academic curriculum The twenty four chapters in this volume examine these issues and reflect the rich scholarship of the bicentennial conference The Academy has undergone dramatic changes during its long history As it begins its third century however continuity not change is what most characterizes West Point and the Corps of Cadets By perpetuating the noble values of the profession of arms the Academy continues to accomplish its vital mission of producing leaders of character for the nation In this regard the Corps of today still treads where they of the Corps have trod Command Culture Jörg Muth, 2011 Muth examines the different paths the United States Army and the German Armed Forces traveled to select educate and promote their officers in the crucial time before World War II He demonstrates that the military education system in Germany represented an organized effort where each school provided the stepping stone for the next But in the US there existed no communication about teaching contents among the various schools **Assembly** West Point Association of Graduates (Organization), 1997

Carved from Granite Lance Betros, 2012-03-15 The United States Military Academy at West Point is one of America s oldest and most revered institutions Founded in 1802 its first and only mission is to prepare young men and since 1976 young women to be leaders of character for service as commissioned officers in the United States Army West Point s success in accomplishing that mission has secured its reputation as the foremost leadership development institution in the world An Academy promotional poster says it this way At West Point much of the history we teach was made by people we taught Carved from Granite is the story of how West Point goes about producing military leaders of character An opening chapter on the Academy s nineteenth century history provides context for the topic of each subsequent chapter As scholar and Academy graduate Lance Betros shows West Point s early history is interesting and colorful but its history since then is far more relevant to the issues and problems that face the Academy today Drawing from oral histories archival sources and his own experiences as a cadet and later a faculty member Betros describes and assesses how well West Point has accomplished its mission And while West Point is an impressive institution in many ways Betros does not hesitate to expose problems and challenge long held assumptions In a concluding chapter that is both subjective and interpretive the author offers his

prescriptions for improving the institution focusing particularly on the areas of governance admissions and intercollegiate athletics Photographs tables charts and other graphics aid the clarity of the discussion and lend visual and historical interest Carved from Granite West Point since 1902 is the most authoritative history of the modern United States Military Academy written to date There will be lively debate over some of the observations made in this book but if they are followed the author asserts that the Academy will emerge stronger and better able to accomplish its vital mission in the new century and beyond

Thomas Jefferson's Military Academy Robert M. S. McDonald,2004 Although Jefferson feared the potential power of a standing army the contributors point out he also contended that whatever enables us to go to war secures our peace They take a broad view of Jeffersonian security policy exploring the ways in which West Point bolstered America s defenses against foreign aggression and domestic threats to the ideals of the American Revolution Thomas Jefferson s Military Academy should appeal to scholars and general readers interested in military history and the founding generation BOOK JACKET

An Annotated Autobiography of Henry O. Flipper Rory McGovern,Tony McGowan,2025-02-20 This annotated edition of Henry Flipper s autobiography guides modern readers and researchers to better understand Flipper s original work The editors notes explain the significance of people places and events that Flipper identifies in shorthand provide additional

context and subtext to help readers better understand Flipper's experiences identify areas in which Flipper presented an ambiguous or incomplete narrative and explore the literary qualities of the original memoir as an early work of African American autobiography Readers of this work are given insight into the history of the African American struggle in the Reconstruction and to Black presence at West Point as well as the publication and material history of Flipper's original book and Flipper's broader place in the literary tradition
