Western Civilization The Complete Musical Abridged:

Western Civilization! the Complete Musical (Abridged) Reed Martin, Austin Tichenor, 2016-11-08 In some ways it's their funniest presentation yet. With a musical score that gives the script bite and zest, the three performers turn history inside out and upside down, cramming 1 000 facts into 90 minutes. By the end, they have given us a nonsensical but hilarious rendition of each major epoch. Andrew Warshaw, *The Guardian*. Singing that history ain't what it used to be, the three-person ensemble put a deranged spin on the events of the past 1 000 years. Mixing broad physical humor with sly satire, the three sang, disco danced, and adopted phony accents and even phonier facial hair to view the highlights and low points of history from Leif Ericsson to the Y2K bug. The show was consistently hilarious. Donna Freedman, *Anchorage Daily News*. The show overall is a riot. Don't miss it. After all, a comedy this funny only comes along once or twice a millennium. Patrick Meighan, *New Hampshire Telegraph*, combining smarty-pants irreverence with physical buffoonery and street-wise smarts, it touches greatness. Christopher Rawson, *Pittsburgh Post-Gazette*.

Music in Western Civilization Paul Henry Lang, 1997 A comprehensive history of occidental music focuses on the function of music as an expression of the spirit and artistic life of each age.

Unrolled Stone - Abridged Edition L.T. Stallings, 2016-07-18 A Fusion of Horizons. *Unrolled Stone* proposes to do nothing less than treat the Rolling Stones for the first time ever as a genuine cultural phenomenon worthy of what might be called philosophical attention. The fundamental significance of this analysis acquires its incisive shape on the scaffolding of Heidegger's Being and Time. Even though the focal point of the existential analytic employed focuses around the late Brian Jones, still the book is designed to situate the truth claim of the Rolling Stones within the broader horizon of a universal radical uprootedness which constitutes the necessary point of departure for any serious reflection concerning the very meaning of existence in today's belongingless historical epoch.
