We've Lost It!: What Happened to Common Sense & Decency? Terry Prejean, 2016-03-02 Some of the things going on in the world today just ain't right Individuals educators and political leaders don't seem to be using common sense in dealing with people or in their decision making We don't treat people with the common decency that we should expect in our lives I'm trying to determine even if only for my benefit whether or not we as a civilized society truly use common sense and exhibit common decency in our everyday lives and in our decision making It's not at all a scientific undertaking but primarily my own personal experiences and opinions Feel free to agree or disagree with my views and opinions and possibly you'll start observing and thinking about some of these things as well Don't you think we can all use more common sense and decency in our everyday lives Told in unique fashion Mr Prejean gives one the benefit of his observations of today's current affairs How things are how things should be and how to make life what you want it to be A blueprint for living **The Union Postal Clerk** George A.
