What A Trip Around The World In Eighty Days Cracked Classics 3:

"*Throw the book away*" Amie A. Doughty, 2013-05-21 Children's literature is an excellent way to educate children on everything from social behavior and beliefs to attitudes toward education itself. A major aspect of children's literature is the importance of books and reading. Books represent adult authority. This book examines the role that books, reading and writing play in children's fantasy fiction from books that act as artifacts of power (The Abhorsen Trilogy, The Spiderwick Chronicles, Harry Potter) to interactive books (The Neverending Story, Malice Inkheart) to books with character writers (Percy Jackson, Captain Underpants). The author finds that although books and reading often play a prominent role in fantasy for children, the majority of young protagonists gain self-sufficiency not by reading but specifically by moving beyond books and reading.

Cracked Classics Tony Abbott, 2018-07-10 When two sixth grade friends magically enter classic literary books, their fun-filled adventures are a treat for reluctant readers. School Library Journal: They just didn't want to read the books. Instead, through their school library's magic security gates, sixth graders Devin and Frankie (short for Francine) are zapped into great works of literature and new worlds of adventure including Dracula, The Adventures of Tom Sawyer, Around the World in Eighty Days, A Christmas Carol, Treasure Island, and Romeo and Juliet. The message that reading is important and can be fun comes through loud and clear. School Library Journal: Trapped in Transylvania, Transported into Bram Stoker's vampire classic, the sarcastic sixth graders will need a few stakes, a lot of garlic, and a sharp sense of humor to defeat the bloodthirsty Count Dracula. Mississippi River Blues: These modern middle schoolers learn being a troublemaker is timeless as they whitewash a fence, run away from home, solve a murder, become pirates, and search for hidden treasure along with Tom and Huck, the original slackers. What a Trip: When you can travel into books, going around the world is easy. In the company of mad explorer Phileas Fogg, Devin and Frankie embark on a round-the-world journey by train, ship, and hot air balloon. Humbug Holiday: For two sixth graders who feel about school the way Scrooge feels about Christmas, an enchanted trip into Charles Dickens's tale is just what their spirits need. X Marks the Spot: Devin and Frankie become marooned middle schoolers when they are swept away to Treasure Island and must match wits with legendary pirate Long John Silver. Crushing on a Capulet: Devin and Frankie try to save star-crossed lovers Romeo and Juliet when they find themselves in Shakespeare's classic play.
