Am God John C. Robinson, 2024-01-26 A paradigm shifting journey into God as Self and the World as Heaven on Earth Upon
turning 75 I felt the compelling need to spend time in solitude to live more fully the mystical consciousness I have been
writing about for 25 years As the experience deepened I began writing mystical poetry in the tradition of Hafez Rumi Kabir
and Gibran Hundreds of verses poured forth an amazing surprise I had found a new voice poetry became a new spiritual
practice and wisdom and revelation now flow from the One One Consciousness God s consciousness fills the universe
Everything contains and expresses it The world is alive awake aware loving and breathtakingly intelligent We each share this
consciousness though we wrap it in personal identity and assume everyone s version is uniquely theirs What does this mean
It means you have direct access to the consciousness of God This realization alone can begin your awakening
