What Are They Saying About The Historical Jesus:

What are They Saying about the Historical Jesus? David B. Gowler, 2007 This book summarizes analyzes and critiques current influential portraits of Jesus It concludes that any portrait of the historical Jesus must come to terms with Jesus as both an apocalyptic prophet and a prophet of social and economic justice for an oppressed people BOOK JACKET *The Historical Jesus in Context* Amy-Jill Levine, Dale C. Allison, John Dominic Crossan, 2024-11-01 This anthology presents a broad range of primary sources and expert commentary that contextualize the historical Jesus in his world This landmark volume places the gospel narratives in their full literary social and archaeological context More than twenty five internationally recognized experts offer new translations and descriptions of texts that shed new light on the Jesus of history including pagan prayers and private inscriptions miracle tales and martyrdoms parables and fables divorce decrees and imperial propaganda The translated materials from Christian Coptic and Jewish as well as Greek Roman and Egyptian texts extend beyond single phrases to encompass the full context thus allowing readers to locate Jesus in a broader cultural setting than is usually made available This book demonstrates that only by knowing the world in which Jesus lived and taught can we fully understand him his message and the spread of the Gospel Gathering material that was previously available only in disparate sources this formidable book provides innovative insight into matters no less grand than first century Jewish and Gentile life the composition of the Gospels and Jesus himself **The Quest of the Historical Jesus** Albert Schweitzer, 1910 **The Historical Jesus** James K. Beilby, Paul Rhodes Eddy, 2010-01-04 The Historical Jesus Five Views provides a venue for readers to sit in on a virtual seminar on the historical Jesus Beginning with a scene setting historical introduction by the editors prominent figures in the Jesus quest set forth their views and respond to their fellow scholars For both the classroom and personal study this is a book that fascinates probes and engages God the Son Incarnate Stephen J. Wellum, 2016-11-16 Nothing is more important than what a person believes about Jesus Christ To understand Christ correctly is to understand the very heart of God Scripture and the gospel To get to the core of this belief this latest volume in the Foundations of Evangelical Theology series lays out a systematic summary of Christology from philosophical biblical and historical perspectives concluding that Jesus Christ is God the Son incarnate both fully divine and fully human Readers will learn to better know love trust and obey Christ unashamed to proclaim him as the only Lord and Savior Part of the Foundations of Evangelical Theology series *The Future of Christology* Dong-Kun Kim, 2019-06-28 The Future of Christology addresses the questions that Christology currently faces and or will face in the future in 12 topics The book consists of two parts In the first part Kim deals with five topics related to traditional Christology while in the second part he wrestles with seven topics related to issues of Christology The twenty first century is a challenging time for Christianity Many in our age are asking what Jesus Christ means in various dimensions of history culture nature and even beyond the Earth Changes in values worldviews and views of the universe are forming a new zeitgeist Dong Kun Kim argues that ways of understanding Christ

should change accordingly for a Christology that fails to communicate meaningfully with the times is void of vitality Postmodernism dehistoricization and life post ideology multiculturalism multiple religions and above all the rapid development of the natural sciences pose a serious challenge to traditional Christology Who is Christ in the age of an infinite cosmos How do daily human life social devotion and praxis relate to salvation How can we discuss salvation history in an era post history Where does Christ stand in the public sphere Can the Chalcedonian definition of the two natures of Christ true God and true human being encompass nature and the cosmos would a third nature of Christ be necessary Will the cyborg which may appear in the near future be the object of Christ s salvation If scientific determinism becomes popular in the future will the basis of faith in Christ lose ground If intelligent life exists in the universe what does Christ mean to such life This book provides innovative answers to these questions in an academic context **The Historical Christ** Frederick Cornwallis Conybeare,1914 C.S. Lewis: Revelation, Conversion, and Apologetics P. H. Brazier,2012-07-18 This is a series of books which have a common theme the understanding of Christ and therefore the revelation of God in the work of C S Lewis These books are a systematic study of Lewis s theology Christology and doctrine of revelation as such they draw on his life and work They are written for academics and students but also crucially for those people ordinary Christians without a theology degree who enjoy and gain sustenance from reading Lewis s work www.cslewisandthechrist.net *Between Heaven and Hell* Dean R. Eyerly,2010-02 There is no greater controversial person in the world than Jesus the Christ For over two thousand years speculation has been lurking in the background about religious control of belief by the church and church dogma in general Where many people stop in Sunday school author Dean Eyerly moves beyond in his historical research about this man named Jesus and his historical search for his true beliefs and teaching Along the way historical writings were discovered that provided more detail surrounding his life death and resurrection Having been inspired to study after being presented with conflicting historical information Eyerly began to study outside of traditional data surrounding Jesus in 2003 in order to find a firmer grasp on what history says about Jesus To no surprise The answers he found were not always in line with what the Bible says and Eyerly argues that what we are commonly taught in church isn t the full story There are several documents and writings discovered that go against modern constructs and tradition as we Christians know of the faith today Dean has studied through the many documents that go against modern constructs and tradition and shows readers what they say about Jesus his followers and possibly why these documents were rejected and pushed into the dark See how these stark differences in belief are considered so dangerous by the church and not by Jesus *Between Heaven and Hell* is a compilation of research shaped into a timeline that begins before the birth of Christ and moves into the Common Era Dean draws from many non canonical references and Gnostic literature in presenting a broader perspective on the many differing thoughts and views concerning the person of Jesus Is there good evidence that Jesus was who we think he was Was he really born of a virgin Who really wrote the Bible These questions must start from somewhere Discover what you might in

this thought provoking presentation of un safe information that lies Between Heaven and Hell Dean Eyerly conducts biblical research as a hobby and enjoys sharing with others what he finds Eyerly firmly believes As do all of mankind that Jesus is extra ordinary And The Being that all earthly people should emulate Eyerly currently resides in Holland Ohio **Spiritual**

Loofs,1913 *The Historical Jesus* John Dominic Crossan,2010-07-13 Conventional wisdom has long held that too little is known about the historical Jesus to say definitively much more than that he lived and had a tremendous impact on his followers But with his ground breaking work *The Historical Jesus* John Dominic Crossan demonstrates that Jesus is actually one of the best documented figures in ancient history the challenge is in the complexity of the sources Crossan s unique methodology combines social anthropology Greco Roman history and the literary analysis of specific pronouncements confessions and anecdotes involving Jesus This synthesis of all three disciplines provides the most definitive presentation of the historical Jesus yet attained The Jesus who emerges is a savvy and courageous Jewish Mediterranean peasant a radical social revolutionary with a rhapsodic vision of economic political and religious egalitarianism and a social program for creating it *The Historical Jesus* reveals the true Jesus who he was what he did and what he said John Dominic Crossan is generally regarded as the leading historical Jesus scholar in the world He is the author of several bestselling books including *The Historical Jesus* *Jesus A Revolutionary Biography* *The Birth of Christianity* and *Who Killed Jesus* He lives in Clermont FL The most important scholarly book about Jesus in decades Marcus Borg author of *Jesus A New Vision* Engaging the Word

The Theologie of Experience H. Maldwyn Hughes, 1915 **I Believe in the Historical Jesus** I. Mikel Del Rosario, 2025-10-23 How to Make Sense of Jesus Divine Claims Do you ever wonder if Jesus really claimed to be God Maybe you've heard people say Jesus never said he was God or you've been asked Why believe Jesus is divine if he never claimed it These challenges aren't just from non-Christians they show up in church too Even if you're not coming from a place of skepticism you might still question how well church teachings about Jesus match up with what he actually said So did the historical Jesus really claim to be divine This book is here to give you confidence in the historicity of Jesus claim to divinity It's designed to help you explain your faith in a world that increasingly doubts the Bible's portrayal of Jesus Instead of focusing on what Jesus followers believed this book takes a different approach it looks at what Jesus enemies thought How did they interpret his words and actions Their perspective can help you understand the historical validity of Jesus divine claim In this book biblical scholar Mikel Del Rosario uses historiography to examine claims about Jesus divinity analyzes ancient Greco-Roman Jewish and biblical sources to understand how Jesus words and actions were interpreted by his adversaries and followers and argues that Jesus claimed divine authority a claim supported by strong historical evidence If you're a Christian this book will equip you to defend your faith against theories that suggest Jesus only claimed human authority not divine If you're someone who sees Christianity differently this book offers a serious investigation into the claims
